

Inside Their shared room.

Gwen:

It was the most unbelievable episode. I wish you'd seen it.
Everyone was losing their mind...
What are you doing?

Andrea:

Packing.
What does it look like?

Gwen:

Why? You're not leaving for another couple of days.

Andrea:

So. I am leaving. Might as well get ready, there's not
point making this room all homey when I am only going to be
here like 42 more hours

Gwen:

Come on there is only a few minutes left till Curfew, lets
go get some ice cream satisfy those sugar cravings of
yours.

Andrea:

No thanks

Gwen:

You don't have to do this you know

Andrea:

Do what?

How do you know what I have to do? Have you ever left rehab
before?

Gwen:

No But I...

Andrea:

Ok But nothing. You've never left rehab before, so you
don't know what you're talking about

Gwen:

True, but I have been a part of some very emotional sing
outs, and I've felt that I ...

Andrea:

Oh God yeah I'm sorry, That right you've sang lean on me a few times . Stupidest freaking cheesy song ever. My mistake then, you must know about leaving rehab better than anyone
