

NICK: (on phone) Dr. Zepp there? Katherine where's Dr. Zepp? Well I've been waiting he's not here. Well where could he be, Katherine? No, nobody's saying Mabel's crazy. Where's Dr. Zepp? I mean where is he Katherine? Well goddamn it he's not here. I'm sorry Katherine now, could he have stopped off any place or what? I mean is it gonna be 5 min or 10 min what is it gonna be? (hangs up phone) Jesus Christ! Jesus Christ! (to Mabel) Never mind. Don't get up. Don't move. You don't move. (shouting upstairs) Ma! Ma! Ma! No! Just stay there or I'll kill you. Don't need your help. Get my own cigarettes. Don't need anybody's help. My own. (to Mabel) You're gonna be committed. Goin' to the hospital until you get better.

MABEL: You just, uh, you got embarrassed and, and you made a jerk of yourself. That's all. Ugh. I make a jerk of myself everyday, I'm- I'm not sore at you. I mean, you hit me. You never did that before. I ugh, I feel that, that's what you feel bad about. I, I always understood you and you always understood me and that was all... it just... all it was and that's it. 'Till death do us part, Nick. You said it. Remember when he said "Do you Mabel Mortinson taken this man?" "I do." I do, Nick. I do, Nick. Remember? I said it's gonna work because I'm already pregnant.

NICK: Don't let that mind run away on you now.

MABEL: (interrupting) Remember how you laughed?

NICK: Don't let your... don't!

MABEL: (interrupting) You laughed, don't you remember? You laughed and he was mad as a fucking toad.

NICK: Don't do that.

MABEL: Nick, don't be sad. I know you love me.

NICK: Hey!

MABEL: We had plenty of time to find that out, didn't we? You and I know. (gesturing) You see that, Nick? That's how close we are. And they can't pull us apart, they can't force us apart 'cause we're together.

NICK: I don't know who you are.

MABEL: Don't say that, Nick. I'm not sore at you. I'm not mad or anything.

NICK: Mabel. Don't.

MABEL: You sit there and pretend you... All of that doesn't mean...and you know... you know. It's us! And you're goin' with them now? And they're on the outside and we're supposed to be on the inside! We were always there!

NICK: Shut up!

MABEL: You little, teeny, itty little (gesturing)

(Nick and Mabel are interrupted by a knock at the door)
