

# Anywhere but Here

**Adele**

You're awfully quiet.

**Ann**

You said we'd see an Indian reservation.

**Adele**

When we get to one then we will see one. But sweetie, don't mumble. C'mon. How are you ever going to be an actress if you can't speak clearly.

**Ann**

I don't want to be an actress. I bet you we won't even stop in Las Vegas, will we?

**Adele**

Ah now that's what's bothering you.

**Ann**

You said you had a number on him.

**Adele**

I said we would look him up. Okay? When you were four years old your father left you just in the middle of the night.

**Ann**

So what? You left my stepfather in the middle of the afternoon. I miss Ted.

**Adele**

Nobody misses Ted he's boring.

**Ann**

Then why'd you marry him?

**Adele**

That's none of your business! Besides, he was running around with other women.

**Ann**

That's not true! You made that up! You wanted him to so you could catch him and take him to court and take all of his money.

**Adele**

You little snoop!

**Ann**

Ted is not a homosexual.

**Adele**

I never said that!

**Ann**

Yes you did.

**Adele**

Oh no I did not!

**Ann**

Yes you did!

**Adele**

Maybe I've heard it but I've never said it.

**Ann**

Alright mother. Ted said he loves you, and that he was worried you were seeing other people which you probably were.

**Adele**

Alright that's it. That's it! I've had it with you. You miss Ted so much? You go find Ted. Get out of the car! Out! O-U-T OUT!!!

**Ann**

You said we'd see Buffalo and Nebraska then we're...

**Adele**

Tough shit! Get out of the car!
