

BAPS-Troy Beyer

Nisi: I was so mad ,I walked out.

Mickey: And he said that was a cousin

Nisi: That's what he said... Bopping around here with that cracked up perm he got ..You know he wrong

Mickey: Girl, why wont he let you cut his hair?

Nisi: I don't know. I've been trying forever. Now I'm a hairdresser right.? And my man walking around here lookin like a broke down Superfly.

Mickey:No. No, superfly little brother.

Nisi: Right, right, Superflea.

Mickey: Ow!

Nisi: Be still then..Shoot , you said wanted these Pom Pom .so you got em . Girl we we need to move on. .. and we need to get us some new jobs .

MTV Annoucer: Hey What's up yall! Adalis kickin it MTV style

Hey, what's up, kids? Idalis kickin' it MTV style. Listen, y'all, I got the inside scoop... on the biggest video audition to hit the airwaves... since the artist formerly known as Prince... was

looking for that special lady for his video... The Most Beautiful Girl in the World.

Remember that? Well, Heavy D is doing a unique video himself. He's going to be shooting this video all over the world... in beautiful, exotic places like Brazil and Italy. He's looking for that oh, so special lady.

Nisi: Ah..whoa iiiiii, go back

MTV Annoucer A great body , a great smile...and twinkle and the eye.
He's looking for...

Nisi: Ahhh,,,Look, look go (turning magazine)

Mickey: What

Nisi:Look...look

Mickey:So

Nisi: So ...that's the same audition! Girl. I think that's a sign from God My moma always told me good things come in 3. I heard it on the radio , now in the magazineand now its on TV! That's it Mick!

Mickey: Nisi you buggin

Nisi: But what if I aint?

Come on, Mick let's go to LA. Let's do it.

Mickey: Hell yeah...: .
Cause there aint nothing but some fine young rich
men in LA.

Nisi: I feel like Partying right now, come on

Mickey: Partying? We gotta try to save every penny now.

Nisi: Uh-uh . It's Tuesday night and you know what that means. It's
Ladies night at the Gold Tooth! We get in free!

Nisi and Mickey : Go ,go. Git it, git it
Go, so. Git it, git it
