

Blithe spirit -2020

Ruth: Thank God, I caught you. You are my only hope,
.something terrible has taken place

Madam Arcati: you heard strange noises in the night? Board
?creaking, doors slamming, some dun moaning in the passages

.Ruth: No, no, none of those

.Madam Arcati: Oh

Ruth: It appears after the seance, my husband's first wife
.Elvira, who died seven years ago, is back among us

!Madam Arcati: at last. A genuine materialization

I knew something stupendous had happened to me that night,
I felt it in my spinal cortex. Oh, after all these years of spiritual
devotion I finally being rewarded

Ruth: I appreciate the pride in your achievement, but I would
like to point out that it's making my position in my home
.untenable and I hold you entirely responsible

Madam Arcati: Forgive me Ms. Condomine. I have been
abominably selfish. Just to make this clear in my mind, you
!?yourself have not seen this manifestation

.**Ruth:** No. But Charles claims he can see and talk to her

Madam Arcati: If the emotional connection is strong, it is
.sometimes possible

?Ruth: What

Madam Arcati: It can sometimes develop into a level 10.
.Something I've never even dear dream of

?Can he, by any chance, touch her

?**Ruth:** I sincerely hope not. Why? Could it happen

Madam Arcati: if the returning spirit feels welcome it can,
.gradually, become physically substantial

I'm afraid Mrs. Condomine, the time has come for me to admit,
quite frankly... I haven't the foggiest idea how to send her back, I
have my own personal reasons for wishing to communicate to
the departed but I never, for a moment, considered the
.possibility of having to send someone back

Ruth: well, I suggest that you find a way. I refuse to share my
.husband with anyone, especially his dead ex-wife

Madam Arcati: well, if I thought for a moment that your
husband wished to get in touch with the spirit of his dead ex-
wife, I would have of course consulted you first, after all 'no
.blesse oblige

Ruth: He had no intention of getting in touch with her. I can
assure you the whole thing was planned in order for him to get
.material for his new project

Madam Arcati: Am I to understand, I was invited in the spirit of
?mockery

Ruth: He merely wanted to make some notes of the tricks of
.the trade

Madam Arcati: Tricks of the trade? I've never been so insulted
.in my life

Ruth: I'm sorry, that all come out wrong, I'm, I'm rather
.overwrought with the whole affair
.Please, I implore you to help us

Madam Arcati: I will get a spiritual alliance on my way back to
.Sussex and ask them for guidance

Ruth: Sussex? You cannot abandon us in our hour of need

Madam Arcati: Well due to my recent circumstances I can no
.longer afford to stay here, but you can contact me

Ruth: I can cover your hotel bills and any expenses till this
.terrifying ordeal has been resolved
