

"BODY DUMPING"

BODY DUMPING

GREG and LARRY enter from opposite sides of the stage. They are both dragging bodies and notice each other.

START

GREG

Hey.

LARRY

Hey.

GREG

What are you - a --

LARRY

I'm not a --

GREG

Are you ... dragging a body?

LARRY

Yes, I have a living person with me. My buddy just had too much to drink --

The body is clearly covered in blood.

LARRY (CONT'D)

And I was like, I'm gonna take you, a person who's alive, down to that Long Island landfill and you better dry out.

GREG

And you were just gonna leave that living person here?

LARRY

Yeah, pretty much. I am just pranking this live person. I mean, we're always pulling pranks like this. I'm gonna pick him up tomorrow. He's definitely going to wake up and be like "Oh, Larry, you got me. I'm a live person and I am fine."

GREG

Haha, totally. Same thing here.

LARRY

Your person is missing a head.

GREG

Yeah, no, I meant not the same thing my ... mom ... died of natural causes. Real weird burial requests. She always said "body in the Long Island landfill, head preserved in a jar for looking at like in *Futurama*." You know moms.

LARRY

And it's legal to just leave a dead body here?

GREG

We used to have a pillow in my house that said "whatever mom wants when she's dead, you do that thing. You make it happen."

Beat.

GREG (CONT'D)

So ... we kill people.

LARRY

Yep, yep. I killed this guy. With my hands.

GREG

Same here. Just decapitated the hell out of her.

LARRY

But I was, like, really mad, this ... *isn't* normal for me.

GREG

Totally this is an isolated incident. I was just really pissed, so I killed one person. It will literally never happen again.

LARRY

Same. Can't believe it got this far. Killed because of rage. One and done!

GREG

I *didn't* plan this for months and dream about this day and occasionally masturbate to my 3D models of the murder.

LARRY

Do you have that woman's hair in your pocket?

GREG

It feels as good as I'd dreamed.

LARRY

You know, good for you, man. You finally killed her. Let's just be honest. We're serial killers.

GREG

We kill serially.

LARRY

You think this is the first guy I've killed?

GREG

No, I noticed the stab wounds, man. Those were deliberate and artful.

LARRY

I buy special whittling knives at Michael's.

GREG

I love Michael's! I know every Michael's in every college town from here to Ann Arbor. I stalk sorority girls, then scalp them.

LARRY

I murder dentists!

GREG

You're the Dental Damer!

END

LARRY

I hate that name. I keep trying to change it to the Dental Dahmer, but to no avail.

GREG

At least you have a nick name. Killing college girls just doesn't distinguish me.

LARRY

Well, you gotta follow your heart.
