Kayla Pospisil is working away at her desk, keeping her head down. Megyn Kelly walks up to Kayla's cubicle, ready to confront the one person she hasn't already spoken to about Roger.

MEGYN

It's Kayla right?

KAYLA

Yeah... Hi

MEGYN

Hi!...Megyn

Kayla sighs bashfully.

KAYLA

I know...

MEGYN

You used to work with Gretchen right?

KAYLA (CHEERFULLY)

Hmmhmm

MEGYN

Did you learn a lot from her?

KAYLA

I did.. Yes. I have nothing but good things to say about her

MEGYN

That's great...

(MORE)

MEGYN (CONT'D)

You know I always find it so
interesting who history chooses to
do something important

Kayla is nervous, knows what's coming next.

KAYLA

...mmm I guess

MEGYN

Listen, I wanted to ask you..(Beat)
I wanted to ask you if Roger is
harassing you?

Kayla is shocked.

KAYLA

How'd you know?

MEGYN

We find each other

Long intense pause. Kayla is bewildered by what she just
heard.

KAYLA

You too?

MEGYN

It was a long time ago

KAYLA

Wow

Beat.

MEGYN

You ok?

KAYLA

Hmmmhmm

MEGYN

You should report Roger...You'll be protected

KAYLA

Did you?

MEGYN

I took it to his superior..
(Shaking her head) Nothing happened
I had to drop it

KAYLA

Why!?

MEGYN

I wanted to be on television

KAYLA

Did you think what your silence
would mean..for us..the rest of us?

Megyn is confused by Kaylas reaction

MEGYN

Roger is not my fault

KAYLA

It would have been nice if.. If
someone told us that he's after
more than legs

MEGYN

It's nobodies job to protect you
Kayla-

KAYLA

That's all of our job...I don't get you, you have power!...Why are you still playing by old rules. YOU'RE MEGYN KELLY!

Megyn is done with this conversation, she gets up to leave.

MEGYN

Look around snowflake, how do you think I succeeded...How do you think a women gets a prime time fox show

KAYLA

So you had sex with him?

MEGYN

Jesus fucking christ.

As Megyn storms off, Kayla is left alone once again to contemplate a decision and the fate of ultimately something that is much greater than her.
