

BRIDESMAIDS - PENIS IMITATING

ANNIE

I'm so glad we got to do this, I
feel like I haven't seen you in forever.

LILLIAN

I know, I've been in Chicago a lot.

ANNIE

I know, sleeping at Dougie's house.

LILLIAN

It's just closer to work.

ANNIE

How's it going with him anyway?

LILLIAN

I don't know. It's fine, but I feel
like he's been a bit distant lately. He calls me "dude" a lot.

ANNIE

That doesn't mean anything. I think
everything's fine.

LILLIAN

I don't know. Anyway, what did you
do last night?

ANNIE

Umm...

LILLIAN

What did you do last night? You are
not telling me something.

ANNIE

I hung out with Ted for a little
bit.

LILLIAN

I knew it!

ANNIE

We had fun. It was fun.

LILLIAN

Here's what I don't like about it.

You hate yourself after you see him, every time. And then we
go through this and you feel like shit, and it's almost like
you're doing it because you feel bad about yourself.

ANNIE

He called me late and we hung out.
It wasn't a big deal. And it was fun.

LILLIAN

Ew, you had sex with him.

ANNIE

We had...an adult sleep over.

LILLIAN

Oh, did you let him sleep over IN YOUR MOUTH? ...Annie!

ANNIE

I'm sorry. He kept putting it near my face.

LILLIAN

They do that.

ANNIE

Let us offer. If we don't offer—

LILLIAN

You're supposed to slap it away.

ANNIE

I couldn't! You don't want to look right at it. It's too aggressive. It's like... Annie imitates a penis. That's my impression.

Annie sticks out her elbows.

LILLIAN

Those are the balls?

ANNIE

I'm trying to make it round, but I can't cause I have elbows. He's so hot though!

LILLIAN

Look, I know you say he's cute and all that stuff, but it makes you feel like shit. You're a total catch and any guy would be psyched to be your man. You should just make room for somebody who is nice to you.

ANNIE

You know what, he's honest. He told me we are what we are, and we're just having fun. And I like that!

LILLIAN

He also told you you need dental work. He's an asshole! Annie has food covering a tooth.

ANNIE

I don't need dental work.

LILLIAN

You're right.

ANNIE

There's nothing wrong with my teeth.

LILLIAN
You're so beautiful. Will you marry
me?

ANNIE
Yes.

LILLIAN
I love you.

ANNIE
I love you.
