DAISY

(Playing Iko Iko by The Belle Stars on the record player and dancing).

First record I bought with my own money. Let me guess... Yours was something cool... like the Everly Brothers?

BILLY

Mm-Mmm

DAISY

Fats Domino?

BILLY

No.

DAISY

Little Richard?

BILLY

No.

DAISY

What was it?

BILLY

"How much is That Doggie in the Window."

But if you ever tell anyone, I will deny it.

DAISY

Want to pick a record?

BILLY

Sure. Here we go. All right.

DAISY

What is it?

BILLY

First song that really..

DAISY

What?

BILLY

My first love..

DAISY

That's exciting.

Billy puts on "In my Room" by The Beach Boys. Daisy starts singing along. And coercing Billy to dance.

DAISY
You know this song?

BILLY
I know this song.

DAISY
Move your shoulders.

BILLY
Okay.

DAISY
All you got to do is move one step. One step. There you go. Move your body.

BILLY
Okay.

DAISY
We don't have to be friends. But if we are going to write together, we.. we can't be strangers. Ask me something. Ask me anything.

BILLY
And you'll tell me the truth?

DAISY
Sure. Cross my heart.

BILLY
Okay. Uh, how many pills do you take in a day?

DAISY
That's what you want to ask me?

BILLY
Answer the question.

DAISY
I don't know.

BILLY
Well, you said "anything."

DAISY
Yeah, and I'm telling you I don't know. I-I don't count 'em.

BILLY
You don't think that's a problem?

DAISY
Why would that be a problem?
They're from a fucking doctor.

BILLY
Well its a problem if you can't
stop.

DAISY
I can stop. I can throw these in
the toilet right now and I won't
feel a thing.

BILLY
I'm not sure I believe you.

Daisy flushes pills down toilet.

DAISY
What else do you want to know?

BILLY
Why'd you want to join the band in
the first place?

DAISY
You.

BILLY
What about me?

DAISY
I feel like I know you. Or, like,
we've known each other for a long
time. I -I don't know how to
explain it. You feel familiar to
me.

BILLY
Does that happen to you often?

DAISY
No. One more and then it's my
turn.

BILLY
All right. Tell me how you really
cut your hand.

DAISY
I told you.

BILLY
Breaking into your parents house?

DAISY
Yes.

BILLY
You were serious about that?

DAISY
Mm-hmm. Mm-mmm.

BILLY
I don't understand.

DAISY
I had the number one song in the country and I just wanted them to know about it.

BILLY
But they weren't there.

DAISY
No. They'd moved away.

BILLY
What? They moved away without telling you? Jesus, Daisy. That might be the saddest thing I ever heard.

DAISY
Well, Billy, I hate to tell you this, but life's full of sad things. And when I feel sad, I take pills. What do you do?

BILLY
I don't know. I mean, that's- that's what I used to do, but... I think I, uh -

DAISY
What?

BILLY
I guess I just... feel it.

DAISY
Oooph- That's the saddest thing I've ever heard.

I see.

You write songs about who you wish
you were. Not who you are. What if
you didn't do that?

What if you wrote songs about the
guy that's not so good all the
time? The guy that lets people
down and the guy that maybe wants
things that he shouldn't.

BILLY

Who would want to hear a song
about that?

DAISY

I would.

I think everybody would.
