

DEAD TO ME

Season 1, Episode 4

Jen & Judy

INT. JEN'S CAR - NIGHT

Jen's car is parked in front of Steve's house. JUDY hides in the driver's seat until JEN enters the car.

JEN

Ugh!

JUDY

What happened? What did he say?

JEN

God, he's a dick!

JUDY

I know.

JEN

But he's, like, the worst kind of dick. Because he's, like, a secret dick. Because you don't know it at first.

JUDY

Because he's so good-looking and charming.

JEN

Yeah, but he's so good-looking that it, like, comes back around the other side.

JUDY

Oh, God. Thank you!

JEN

Hmm?

JUDY

I could not have done that myself. I'm just -- ugh, I don't know why I can't say no to him.

JEN

Because you're an addict. You have to put down the pipe.

JUDY

By the pipe you mean his penis?

JEN

Yes, I mean his penis. Of course. Obviously I mean his penis.

JUDY
It's so hard for me to put that
down.

JEN
Is it a big penis?

JUDY
(nods)
It's like...

JEN
Ahh, shit. Really?

JUDY
It's a good version of big.

JEN
Good-looking and with a big dick?

JUDY
What do you do? How do you find
that again?

JEN
You don't.

JUDY
I know.

JEN
You...

JUDY
...should go back in there?

JEN
No. You are beautiful. And you're a
good person, and you have a great
heart. And you would never hurt a
fly.

JUDY
I don't think I deserve that.

JEN
Oh, just take it.

JUDY
Oh, God! What is wrong with me? Why
do I pick guys who treat me like
shit?

JEN

I don't know. I just spent 18 years with a liar. What does that say about me? That I want to be lied to?

JUDY

I have to tell you something.

JEN

What?

JUDY

He killed you.

JEN

What?

JUDY

Ted. He told Bambi that you were dead. Breast cancer.

JEN

No.

JUDY

He said that he was a widower and that he was raising the kids all alone. (Judy sighs.) I didn't know if I should tell you or not.

JEN

I don't know if you should've told me either.

JUDY

I'm sorry.

JEN

I can't fucking believe him.

JUDY

Yeah, I know.

JEN

What the fuck have I been doing here? I've spent months trying to bring him justice, obsessed with trying to find the person that killed him, and for what? He fucking killed me.

JUDY

Yeah. (THEN) Yeah.

JEN
He's such a fucking asshole.

JUDY
Right. He's the asshole.

JEN
I'm glad he's dead.

Beat.

JUDY
Put on your seatbelt.

Judy starts the engine.

JUDY (CONT'D)
I'm taking us home.
