

Dead to me
SE01 EP03
Judi & Steeve

Judy
Thought i couldn't get within 100 yard of you?

steeve
Judy, Judy.. i spoke to Jen. super cool chic, by the way.
ah.. she said something that... i don't know, it kind of...hit me. and it make me think i went a little
overboard about the restraining order.
so, sorry, and i wanted to let you know that i had it revoked.

Judy
(whispers) She's his wife.

Steeve
whose wife?

Judy
The guy we hit.

Steeve
we hit a deer.

Judy
well, the deer had a wife.

Steeve
ok

Judy
and i befriended her, and i've been trying to tell you, but you keep shutting me out.

Steeve
Why would you... what the fuck are you thinking?

Judy
we ruined her life!

Steeve
oh, jesus, no.

Judy
i made friend with her. we're friends.
and i'm helping her. its the least i can do. maybe...maybe there be something good that comes out
of this.

steeve
oh, my god.
you are nuts.

Judy

Don't do that

Steeve
sorry

Judy
its ok.

steeve
Judy, you murdered her husband!

Judy
you said it was manslaughter. and it was an accident. and you were there too.

Steeve
So you thought it'd be a great idea to invite her into both to our lives?
She's selling my fucking house!

Judy
Which i have a lot of feelings about because that's our house.

Steeve
we are so far past that right now!

Judy
Don't you yell at me.

Steeve
sorry

Judy
it's ok

Steeve
look, we had a plan. right? we were gonna lock this away and not bring it up again.

Judy
No. you had a plan. I wanted to tell the truth.

~~Abe
Judy, is everything is all right out there?~~

~~Judy
Yeah, Abe, i'm fine, thanks.~~

~~Abe
Well you let me know if you need backup. i got nothing to lose.~~

~~Judy
i will.~~

Steeve
look, baby

Judy

Don't call me that.

Steeve
Force of habit. Sorry.

Judy
it's ok.

Steeve
Judy, we can't change the past.
Now, i know this has been really hard for you. i get it. But i promise you, if you tell Jen what happened, you will only making it worse for her and for me.
i know you don't want that. you don't want to couse any more pain, do you?

Judy
You don't know what i want. and i don't have to do your plan. you know, you're the one who left me.

Steeve
Judy, don't ne stupid.

Judy
You're not my fiancé anymore. You're not even my lawyer anymore. (walking away)

Steeve
Judy, listen to me...

Judy
(her phone rings) Oh, look! it's my friend.(answers)

Steeve
okay, Judy?

Judy
Sorry (walking away from him)

Steeve
Judy! Judy!

(judy) im at work.
