

Dead to Me, Season 2, Episode 1

Judy: Hi.

Jen: Hi.

Judy: Hi.

Jen: I didn't think you'd answer.

Judy: I didn't think you'd call.

Jen: You left your, uh...bracelet here.

Judy: Oh, sorry. I um...You can just throw it out, or...burn it or whatever.

Jen: Oh. Thought maybe you left it here on purpose. Like, as an excuse to see me again.

Judy: Did it work?

Pause.

Jen: What's that sound? Where are you?

Judy: Um, I'm, uh...parked outside of my old dentist's office.

Jen: Dr. Nguyen?

Judy: Yes. You go to him too? Shit, I was gonna roll up the window, but I fell.

Jen: I don't know what to do, Judy. This, this feels impossible.

Judy: Oh no, I know.

Jen: I know you know.

Judy: I'm right here.

Jen: Okay. I didn't realize I had it so good when I was just like regular unhappy.

Judy: Yeah. God, I would kill for some down the middle depression right now.

Jen: Just some real good, deep dissatisfaction.

Judy: Yeah. (pause) Shit. I'm sorry.

Jen: What?

Judy: It's like, I just forget for a second and then I just remember about Steve.

Jen: Yeah.

Judy: I know we weren't even together anymore, but suddenly I can't imagine my life without him.

Jen: I'm, I'm, I'm sorry, Judy. I'm so...I'm so, so sorry.

Judy: No, no, no. Don't be sorry. He was attacking you, and it was not your fault.

Jen: Yeah.
