

Dodgeball 2

White

Oh hello Katherine. Good to see you. I didn't know you were dropping by.

Katherine

You asked me to come over

White

Did I?

Katherine

Are you reading the dictionary?

White

You caught me. I like to break a mental sweat too. Grab a chair.

(then)

So, I trust everything's going swimmingly for our acquisition of Average Joe's.

Katherine

So far, yeah. There's a lot to do over there so I should probably get back.

(then)

That is a really interesting painting.

White

Oh yea. That's me taking the bull by the horns. It's how I handle my business. It's a metaphor.

Katherine

I get it.

White

But that actually happened though.

(then)

Anyway, we're a pretty tight-knit tribe here but there's always room for one more squaw. So please whatever you do, don't think of me as your boss.

Katherine

I don't.

White

I just don't want to get into a formal thing here. I'm White, you know? W-H-I-T.

Off Katherine's look

White

E.

Katherine

Thanks Mr. Goodman, but I'm contracted by the bank. They just assigned me to your account, that's all.

White

Right well, you work for the bank. Bank works for me so, ipso facto. You work for me. Point is, I would love to see your pretty little bone structure around here some more. I mean there's no reason we need to be shackled by the strictures of the employer-employee relationship. Unless of course you're into that sort of thing. In which case I've got some shackles in the back!

(then)

I'm just kidding. But seriously, I've got em.

Katherine

I'm just doing my job, Mr. Goodman. I actually prefer it over there.

White

Really? You like it with those freaks over there in Loser-town, huh?

Katherine

Freaks? They're not freaks. They're people, like you and me.

White

[laughs] People! "People just like you and me." Oh man, that is what I love about you Kate. You've got a "personality." That is rich. A real sauciness that I find extremely attractive.

(then)

We should mate.

Katherine

What?

White

Date. I said we should date some time. You know, socially. Go out and kick it.

[Katherine makes a sick gesture]

White

Are you ok?

Katherine

Yea, I'm fine. I just threw up in my mouth just a little bit

White

You know in some cultures, they only eat vomit. I've never been there but I read about it in a book.

Katherine

I'm sorry Mr. Goodman, I don't date clients.

White

I get it. Don't crap where you eat. I understand.

(then, he snaps his fingers)

Michel, escort Ms. Veatch out. Oh and Katherine, make sure my acquisition of that gym goes smoothly. They're up to something over there. I can smell it.
