

Murray
Hey I have a very funny story to tell you.

Fioravante
Mm-Hmm

Murray
Today I was at my dermatologist's for a little procedure nothing serious. You know I'm talking to her for a while and she tells me she was with her girlfriend and they were discussing things and they came to the conclusion that they both wanted to have a ménage. This is what she tell me and I'm flabbergasted. I say a ménage a trois and she said yeah. This is what she wants.

Fioravante
This came out of nowhere.

Murray
Out of nowhere. Apparently she and her girlfriend wanna experience you know a threesome and she asks me – do you know anybody. And I said I said yeah I know somebody but it'll cost you a thousand bucks. And you know the true is, I was thinking about you.

Fioravante
Me.

Murray
Why not. You were always great with women. And she's attractive she's round and curvaceous. I saw a photograph of her friend in a thong. And her friend is a crippler.

Fioravante
Are you on drugs.

Murray
Apart from my Zoloft, no.

Fioravante
Well why would I ever entertain something like that.

Murray
How many day are you working at the flower shop.

Fioravante
Two

Murray

Two okay so you're living hand to mouth. Jesus who bailed you out when you couldn't make the rent money last month.

Fioravante

Yes but I paid you back.

Murray

Yes you paid me back. But Basically you're out of work.

Fioravante

And you're closing shop.

Murray

And I'm closing shop. Exactly. Of course I would, you know get a little taste of this. I mean I saw myself getting a small fee.

Fioravante

How long do you know me.

Murray

A long time, I knew you since you were a kid, since you broke into my bookstore and tried to rob it.

Fioravante

You need a young slick leading man type.

Murray

This is exactly my point.

Fioravante

I am not a beautiful man.

Murray

Uh did I saw you were beautiful. But you have a different quality. You have a certain kind of sex appeal.

Fioravante

Thank you.

Murray

Is Mick Jagger a beautiful man. The guy opens his mouth to sing – a horror. But he's hot. Mick is hot. And that's what you have. Let me ask you a question. You look good without your clothes right.

Fioravante
How do you know.

Murray
Because some guys look better when they're naked. I figured you're one.

Fioravante
What does that have to do with Mick Jagger. He rich, and he's famous.

Murray
Yes, but you're sexy.

Fioravante
Says who.

Murray
Says me.

Fioravante
You're a sick man. You need help.

Murray
I go for help twice a week.

Fioravante
You need a guy like Tom Ford or George Clooney.

Murray
You're not that. You're a man's man in a certain way you know. You're not afraid to get dirty. You get your hands dirty. You're working with plants, earth. You're with wires and plumbing and drain pipes and bowls, you know. You do disgusting work. You're not afraid. Hey, you're disgusting in a very positive way.

Fioravante
Thank you. That's always nice to hear.

Murray
You know, women like you. Women always liked you. All kinds of women. You do great with 'em. Blondes, brunettes, redheads, Asian women, pregnant women.

Fioravante
Not for money.

Murray
Hey am I saying for money. You're gonna make somebody happy here.

Fioravante

Listen I'm not a young man. You understand.

Murray

You're not a young man, but you're an experienced lover. Why shouldn't you get paid for it.

Fioravante

Am I your friend.

Murray

You're more than a friend.

Fioravante

And you wanna turn me into a ho.

Murray

Would I steer you wrong.

Fioravante

So what's the split.

Murray

Okay. Now we can discuss things.

Fioravante

I didn't say I was interested. I wanna know what would it be.

Murray

Well you know agent gets 10% usually. A manager will take 15%. The guys in the art galleries get 50%. They split 50-50.

Fioravante

Mm-hmm.

Murray

I'd say 60-40 would be nice. You know, favoring you, favoring you.

Fioravante

All right, let me think about it.
