

FIFTY SHADES - ROOMMATES

Kate's on the computer and Anna enters the apartment ... (light chuckle)

Anna: Um, before you say anything, I can —

Kate : Your a goddess! This is perfect.

Anna: What?

Kate: I just got his email. He answered every question. So, what was he like?

Anna: Um, He was fine.

Kate: "Fine"? Just fine ?

Anna: Um, he was really polite , and he was courteous, and very formal , and - - and clean .

Kate: "clean"?

Anna: I mean , he was very, you know, smart. And intense. It was kind of intimidating . I can understand the fascination .

Kate: uh- huh .

Anna: Why are you looking at me like that ?

Kate: Like what?

Anna: Ok. im gonna make a sandwich . do you want one?

Kate: no thanks. (googling Grey) You have to admit he's ridiculously hot!

Anna: Im sure if you ...are attracted to that sort ...of human - - then

Kate: The hot type of human? (laughs)

Anna: I asked him if he was gay. that was in your questions . why would you do that to me ?

Kate: because whenever he's in the society pages , he's never been photographed with a woman . So , naturally - -

Anna: Maybe he just wants to keep his private life private, kate .

Kate: And now your defending him ..

Anna: Im terminating this conversation ..

(Kate follows her to kitchen with the computer still on grey)

Kate: too bad we don't have some original stills of your hot, clean, 27 year old billionaire. The camera loves him almost as much as you do . Okay, I wasn't hungry but now I am. Thank you.
(steals her sandwich) I love you.

(leaves her computer behind on grey page)
