

FOREVER
Season1, Ep2

Sharon's doorbell rings. She opens the door as she talks on the phone.

Sharon (to the phone)
Uh, I gotta go. Someone I'm mad at is here.

Sharon hangs up the phone.

June I'm sorry.
Sharon You should be.
June I got you a gift to apologize.
It's nice top that I got at a gas station on the way here.
Come on, try it on.

Sharon lets her in and both put on the tops.

June So now that I spent \$15 on these beauties, you have to forgive me.
Sharon Okay. Forgiven.
June Thank you.
Sharon I can't stay mad at you.

Both laugh. They hug each other.

Sharon Oh,,, plus, having a messed-up friend makes me feel better about myself.
June That's my girl.
June You know, I really thought that I'd be doing a lot better by now, but...
Oscar and I were just together for so long.
Just,, I don't really know how to live my life without him.
Sharon Why don't go find a new life?
June Yeah, maybe I should.
Sharon I'm not joking. I mean, come on, what... what's tying you here? Huh?
Your job at the shady time-share place? Or your weird-ass house?
June Hey, I love my house.
Sharon It's weird. You go through the bathroom to get another bathroom.

June We got a deal.

Sharon Listen, maybe it'll help to do something different, you know?
Say "fuck it" to everything.
You know, take a pottery class, move to France, I don't know.

June Come on, I'm not gonna do that.

Sharon All right, I'm gonna have to get real with you.
It's not like things are always perfect with Oscar.

June Hey,,

Sharon Come on, you know I'm telling the truth.
Before Oscar died, you and I would talk a lot about how you felt you wanted more out of life. Come on, you were a little bored.

June Mmmm, I shouldn't have said that.
I mean, of course everybody has their stupid little problems.
Every marriage has that. He was the best.

Sharon I'm sorry. But if you keep doing what you're doing, two lives will be over.
Come on, girl, you got to get out there. You've got to tell the universe what you want, so it will know what to give back to you.

June That's very beautiful. You're ,,,, you're right. I,,,
It's just, you know I don't go to for that church stuff, right?

Sharon That's not from church. That's from Britney Spears' Instagram.

June How is Britney doing these days?

Sharon Either really good or really terrible. I can't tell.
