You know – you're – well – very different! Surprisingly different from anyone else I know! Do you mind me telling you that? I mean it in a nice way... You make me feel sort of – I don't know how to put it! I'm usually pretty good at expressing things, but – this is something that I don't know how to say! Has anyone ever told you that you were pretty? Well, you are! In a very different way from anyone else. And all the nicer because of the difference, too. I wish that you were my sister. I'd teach you to have some confidence in yourself. Being different is nothing to be ashamed of. Because other people are not such wonderful people. They're one hundred times one thousand. You're one times one! They walk all over the earth. You just stay here. They're common as – weeds, but – you – well, you're - Blue Roses!
