

Meeting Two

Nancy: Hello

Leo: Hello again. (he kisses her on the cheek)

Nancy: Thank you.

Leo: This is a very nice surprise.

Nancy: Is it? It's the same room. I mean, I've booked the same room cause I didn't want be thrown by a new layout.

Leo: Oh, no. I mean you booking me again. I mean, you must have been satisfied the last time so I'm happy about that.

Nancy: Yes. Yes. I was satisfied. Yes.

Leo: But?

Nancy: But?

Leo: That sounded to be a "But"

Nancy: No, no, no, not particularly. I've got a couple of feedback and attainment goals for this time.

Leo: Right. I see. Sure. Okay.

Nancy: Would you like a drink?

Leo: Yeah. Sounds great.

Nancy: (wine pouring) Cheers. So, I've made a list of things that I'd like to get through.

Leo: Oh! That sounds sexy!

Nancy: Don't mock me. I'm a teacher. Old habits die hard.

Leo: What's first in the list?

Nancy: Number 1, I perform oral sex on you. Number 2, you perform oral sex on me. Number 3, we do a 69, if that's what it's still called. I don't know. 4, me on top. 5, doggy style.

Leo: Well, that all sounds very achievable.

Nancy: Oh, does it? Oh, good. Good. Cause I... I'm ... I have no frame of reference. I tried looking on the internet but it's alarming frankly. If you write "pin classy porn" to Google, up pop 12 windows of all directions, I mean there's no build up at all. Have I booked enough time?

Leo: You... You wanna do it all today?

Nancy: Yes, if possible. I mean, it's just, you're quite expensive and I'm not sure if I will be able to afford another session after this.

Leo: Okay... Okay... I understand. Umm... Isn't there something else that should be on that list?

Nancy: Like what?

Leo: Well, I want you to feel completely satisfied. If, at all, possible.

Nancy: Oh! Oh! The big "O" in fact. Yes. No. I ... I like a list that can be fully ticked off. Achievable goals. That's the path to happiness, there's no point in wishing for the moon.

Leo: That's an orgasm, you know. Not a Faberge Egg. People have them everyday... (pause) Right. You know what, you're right. That all makes sense.

Nancy: I just ... I want to feel a sense of achievement.

Leo: Yes

Nancy: You know, I don't want to walk away from this feeling unresolved.

Leo: (holds his hand out for the list) May I? You know what, we'll do as much as we can do today. I think we'll certainly make a dent in this.

Nancy: Good. That's good. Good.

Leo: You wanna start with the blow job?

Nancy: Yes, I think so. Get the big one out of the way first. Should I kneel?

Leo: Well, I could stand in the chair but that's not how it's usually done.
(pause) You don't have to do any of this.

Nancy: No. I know. But I want to be a woman of the world. There are nuns out there with more sexual experience than me. It's embarrassing. Do you want me to brush my teeth?

Leo: What? No. Nancy, you can just... you can just let go.

Nancy: Let go? What am I letting go of exactly? I mean, we need some sort of plan, don't we? I don't want to swing from the chandeliers and make loud animal noises.

Leo: I'd like to see that... You are letting go of the thing inside that grips you, that judges you, that watches you from the outside.

Nancy: Christ! If I let go of that anything might happen. That's the only thing keeping my life together. Keeping it taking along ... Here?

Leo: Over here.

Nancy: Okay, what am I supposed to do? Just float around like some sort of free form jellyfish? Wait for something to come up?

Leo: No. But ---

Nancy: Do I undo your belt? Do you do it? What's normal?

Leo: Well, it's more a matter of ---

Nancy: Okay. I'll do it. I'll do it. I'll do it.

Leo: Okay

Nancy: No, I just ... I just want to do a blow job. I want to get that sorted and then we can work through as much of the list as we can without a loss of time.

Leo: Like we got a double lesson time-table for oral and then we'll see what's left of the afternoon.

Nancy: Exactly.

Leo: And shall I ring a bell at the end of the session?

Nancy: Do we use a bell? You didn't last time ... (pause) Oh! Very funny! (Phone rings. She crawls to her phone. Off Screen.) Hi Darling! Hi! Hi! It's not a great time. No. No. No. Yes. I understand that but it's not... (comes back in) Sorry about that.

Leo: Everything okay?

Nancy: Yeah. My daughter. She's in a bit of a pickle at the moment.

Leo: Sorry to hear that.

Nancy: Well, it's not the first time. It's not gonna be the last. She used to call her father for all this but, anyway... umm... Shall we just get through what we can?

Leo: Before the exam?

Nancy: Umm... Yes.

Leo: Nancy ... (Leo takes her in his arms and starts dancing) There's no exam. It's all a dance.

Nancy: I don't know the steps.

Leo: An improvised dance. We just go where it takes us. There's no time-table, there's no bell.

Nancy: But I only paid for two hours.

Leo: Well, then let's enjoy them, every single minute.

Nancy: Okay. C'mon then.

Leo: You wanna start with the blow job or with something else on the list?

Nancy: No I think I'd like to go in order. I feel like I'm prepared for the blow job now. Robert ... my husband, he ... he never wanted to try anything new. He ... he planned everything. I mean even his funeral. Actually I was afraid on the day that he'd tell me I put the wrong ham in the sandwiches... It wasn't a furnace of passion that burnt out, our relationship, it was more like a bottom drawer of the aga.

Leo:What?

Nancy: It's an old fashioned stove. You can't turn it off, it just keeps on chugging away. And at the bottom there's a kind of cooler drawer thing you can push things to the back of, so you can cook them slowly like a bowl of stewed apples or something.

Leo: I see

Nancy: Do you?

Leo: Umm ... Not really but I think you mean your marriage stewed slowly because you pushed it to the back and then forgot about it.

Nancy: Well, anyway, he's gone, its all gone, ancient history. And I want to try something new.

Leo: Then good.

Nancy: So I just need to get that blow job under my belt, your belt precisely.

Leo: Okay. Okay? Okay okay
