

INT - DR. FELD'S OFFICE - DAY

DOCTOR FELD

All right, Arnold, let's talk about you. What do you enjoy sexually?

ARNOLD

Sex.

DOCTOR FELD

I'm going to ask you to get more specific.

ARNOLD

Fine.

DOCTOR FELD

So, you enjoy the actual sexual act -- intercourse.

ARNOLD

Yeah. Missionary style.

DOCTOR FELD

Would you prefer that to say... oral sex?

ARNOLD

I guess so.

DOCTOR FELD

Was oral sex an option? Is that something that you would do regularly?

ARNOLD

I don't know. No.

KAY

I was not very... I am.. I was not comfortable with that.

DOCTOR FELD

Giving or receiving?

KAY

Huh... Ehm... I don't know -- both I guess?

DOCTOR FELD

Okay, so now you, Arnold, would have been open to that?

ARNOLD  
What does it matter? She just said it  
was not an option.

DOCTOR FELD  
What about problems in the bedroom,  
have you ever experienced erectile  
dysfunction?

ARNOLD  
No.

DOCTOR FELD  
Used medications like Viagra --

ARNOLD  
No.

DOCTOR FELD  
As we age, sometimes it becomes--

ARNOLD  
It works.

DOCTOR FELD  
What would you say was working in your  
sex life, when you were sexually  
together? For instance, would you  
climax?

ARNOLD  
Yeah.

DOCTOR FELD  
Were there things, that you wanted to  
do, but didn't?

ARNOLD  
You kidding, right?

DOCTOR FELD  
Well --

ARNOLD  
Who says no to that?

DOCTOR FELD  
Right, then, go ahead.

ARNOLD  
What, you want a whole list?

DOCTOR FELD

Sure.

ARNOLD

Ah. Ehm. I'm not really... coming up with anything.

DOCTOR FELD

There are no wrong answers here.

ARNOLD

Well...

DOCTOR FELD

If you could have anything you wanted in your sex life with Kay, what would that be?... Did you have fantasies, that you didn't feel comfortable telling her about?

ARNOLD

Of course. Well... I guess I... used to think about... Kay giving me a -- giving me huh.. oral, you know... huh.. at work. Under the desk. At tax time.

DOCTOR FELD

So public places.

ARNOLD

Well, not just public places--

DOCTOR FELD

No, okay. that's good. Very good. What else?

ARNOLD

A... threesome.

DOCTOR FELD

With?

ARNOLD

The neighbor.

KAY

Helen?

ARNOLD

Carol.

KAY

Carol? Carol with the corgis?

DOCTOR FELD

Very good, Arnold. Both of you.
