

HOMELAND

Season One, Episode 3

Carrie & Saul

INT. SAUL'S OFFICE - NIGHT

CARRIE and SAUL discuss.

CARRIE

"She wasn't just some escort. She worked for us. She gave her life for this country." That's what I wanted to say. That's what any human being would say to these people -- that she was good, that we owed it to her to protect her. But I, I could not say that. I couldn't say that because it's a secret. I'm not allowed. And I was thinking this is a fucked-up business. This is a fucked-up business, and I--

SAUL

--Are you done?

CARRIE

No. No, I'm just gonna keep talking and talking so you can't say you have some meeting to go to or make up whatever other excuse you're gonna make up so you don't have to deal with me.

SAUL

Carrie. Everyone's left. There's no meetings to go to.

CARRIE

She called me from the club 10 minutes before she was killed. She asked if I had protection on her, and I said yes.

SAUL

What do you want me to say? It matters? It doesn't matter? Don't worry, it'll all be fine?

CARRIE

Just say something. Because when you cut me out, I'm all alone out here, and I can't stand it.

SAUL

They made your informant. Killed her.

CARRIE

And I didn't stop them.

SAUL

So, this transfer you had everybody looking for...

CARRIE

Never happened. And now they're gone. But the prince was so broken up about her. Really, really sad. I, I can't believe he knew they were gonna kill her.

SAUL

What made you think he was even involved?

CARRIE

The video of him with Abu Nazir that Lynne Reed shot.

SAUL

Which was what exactly? Their conversation was benign, what little we could hear of it. An exchange of pleasantries. Nothing more.

CARRIE

Maybe Abu Nazir really went on that boat to talk to someone else. Someone in the prince's entourage.

SAUL

Someone without his means? If the prince wants to fund something, he's got the resources. Not everybody does. You're looking for a money transfer, right? Transfer of money from a nomadic culture that has always known jewelry is the easiest way to move wealth. Tell me again about the necklace she was wearing.

CARRIE

Where did the money go?

SAUL

Could be anywhere.
