<u>HUSTLE AND FLOW</u>
<u>DJAY AND NOLA</u>

<u>EXT PARKINGLOT</u>

                    DJAY
Hey

                    NOLA
Don't ever do that to me again D.

                    DJAY
What baby?

                    NOLA
No, I ain't no fuckin' cash machine where you can get
shit for free

                    DJAY
Ain't like you were in their sweating bullets.

                    NOLA
I gotta have a say in what I do

                    DJAY
You was only in there for half a minute, man damn!

                    NOLA
Nol! From now on I gotta have a say in what I do

                    DJAY
I was gonna give you what you want

                    NOLA
I'm not going to suck dick every time you come up short
D!

                    DJAY
Do you got something for me? Do you got something for me?

                    NOLA
Fuck you D! Here, take it, you earned it.

                    DJAY
The fuck wrong with you man! This is expensive
motherfucker.

NOLA walks away from the car.

DJAY (CONTD)
Hey, Nola! Bring your ass…Nola!

                        NOLA
I'm fucking out of here

                        DJAY
No

                        NOLA
I don't care anymore.

                        DJAY
Don't you do this shit right now! Nola! Bring your ass
here, man! Don't you ever walk away from me! We do what
the fuck we gotta do, man! By any means! Ain't that
right? We take care of our shit. You think I like this
shit? You think I wanna spend the rest of my life pimpin'
your pimpled country ass? Well not me, I fuckin' hate
you…I hate this shit!

                        NOLA
D! Do you know what I do in the back of them cars? Do
you? Everybody's got something to do. Everybody's got
something important going on in their life but me, D! And
I want somethin'!

                        DJAY
What…What do you want?

                        NOLA
I don't really know. But I just want somethin'!

                        DJAY
What do you want?

                        NOLA
I don't know.

                        DJAY
Tell me what the fuck you wanna do!

                        NOLA
Not this D!

                        DJAY
You know what, man? I just got you dressed all wrong. You
know a bitch like you; you need to have on one of those

suits. Get your mobile phone and shit. Get an earjack.
Man, you gonna feel different. I'm gonna put you in some
new shoes tomorrow, man, and you gonna feel like you are
in charge.

                              NOLA
D. I know when you're messing with my head…'cause I let
you. 'Cause sometimes my head needs to b e messed with.
But right now…just don't. Okay?

                              DJAY
Okay.
