

INT. INTERROGATION ROOM

RAY

You didn't tell me you were going shopping.

JACKIE

I thought I did

RAY

You didn't...You know...If It was me and I got all this shit hanging over my head like you do hanging over yours, I don't know, I'd do shopping later.

JACKIE

I got there early...You see I was going to go try on this suit I had my eye on.I was just going to go try it on.

RAY

Wait, what are you talking about?

JACKIE

Wait a minute. Just wait a fucking second, alright? Let me finish. I got there early...The idea was that I was going to try on this suit, see if I liked it. If I did, they would wrap it up and I would put back on my uniform cause Sheronda is expecting me to wear it. Meet Sheronda, give her the shopping bag with the \$50,000 and go home.

RAY

But you didn't do that.

JACKIE

Because I couldn't. Ray, I swear. Melanie burst in, she grabbed the shopping bag...and somebody killed her for it.

RAY

What happened to the bag she gave you?

JACKIE

She didn't give me a bag. Melanie wasn't part of the plan. Ordell probably told her to do it. That's why she came into the dressing room, grabbed the bag, and took off...But I couldn't go after her because I was in my fucking underwear. I had to put on this suit because I could put it on faster than my uniform.

RAY

You had time to pay the sales check.

JACKIE

I had to. Ray I was frantic. What was I supposed to do?

RAY

...Alright, what did you do after that?

JACKIE

I went looking for you; I went to where you were before but you weren't there. What was I supposed to do if something happens? You didn't tell me how to do that did you?

RAY

There was a guy with Melanie?

JACKIE

There was nobody in the dressing room.

RAY

Okay...You have no idea who got the \$50,000? You're clueless about the money right? You have no idea where the 50 grand went?

JACKIE

I have no idea.

RAY

None? No idea? You don't know? It could have gone here? Could have gone there?

JACKIE

I know nothing. Not a clue. I don't have an idea where the motherfucking

money is.

RAY

Not even an idea maybe?

JACKIE

Not even a little, tiny,
motherfucking idea.

RAY

You'd take a polygraph on that?

JACKIE

IF it's going to make you happy!
Yeah. Put it right there, I'll do it.
