ASHLEY

Let's do it now.

MADELEINE

Here?

ASHLEY

Yeah. Don't you like cinnamon fizz. We can play beauty parlour. Why hello Miss Madeleine. You called about a service. Cinnamon fizz. Don't you just love the way that sounds. I suddenly have the urge to drink this.

MADELEINE

Oh, that could be hormonal. Pica. Do you feel like you want to eat dirt or clay as well.

ASHLEY

No. Yuck. What do you think I am? Clay. No. Yuck. What'd you say that was? Pica?

MADELEINE

Yeah, you might need iron or something. Do you take supplements?

ASHLEY

No. I bet that's why George married you?

MADELEINE

Why?

ASHLEY

Ooo.

MADELEINE

Oh, what's wrong.

ASHLEY

Nothing the head's just on my nerves. I'm fine. I'm fine. I'm fine.

MADELEINE

What are you going to name it?

ASHLEY

Junebug. I mean, his real name will be Johnny. But we'll call him Junebug. And if it's a little girl we'll christen her Junebug Johnsten. Can't you see a little baby named Junebug.

MADELEINE

So you don't know what you're having?

ASHLEY

A baby.

MADELEINE

No, no. I meant a boy or a girl.

ASHLEY

Oh, I bet. Oh, I don't know. I don't wanna know. I wanna be surprised. I don't care so long as it's healthy and looks like Johnny

MADELEINE

Oh, what does he want?

ASHLEY

I don't know if he wants a baby right now. But I know just as soon as he sees it he's gonna fall in love. He's just going through a phase. I read in one of my books that that can happen.

MADELEINE

How long's he been like that.

ASHLEY

Two years. But I know as soon as he sees that baby he's gonna snap out of it. I think. Yep. What do you think?

MADELEINE

I don't know him.

ASHLEY

Gosh, I wish that I could grow my nails out like this. I'm always biting on mine.

MADELEINE

Oh, I do too. These are wrapped.

ASHLEY

You are kidding me. These are fake.

MADELEINE

Yeah, I used to bite my own ones
down to the bit. George doesn't
even know. I even bite my toenails.

ASHLEY

You do not. I do too. I didn't
think anyone else in the whole
world did that.
