

Lethal Weapon

Murtaugh

Get in here! Okay, clown. No bullshit. You want to kill yourself?

Riggs

Oh, for chrissakes...

Murtaugh

Shut up! Yes or no? You wanna die? Yes or no!

Riggs

I got the job done!

Murtaugh

You didn't answer the question!!!

Riggs

What do you wanna hear, man? Do you want to hear that I sometimes think about eating a bullet? Well I do. Even got a special one for the occasion with a hollow point. Look! Make sure it blows the back of my goddamn head out! Do the job right. Every single day I wake up and think of a reason not to do it. Every. Single. Day. And you know why I don't do it? This is going to make you laugh...do you know why I don't do it? The job. Doing the job. Now that's the reason.

Murtaugh

Do you wanna die?

Riggs

I'm not afraid of it. I ain't afraid of it.

Murtaugh

Here, take my gun. Don't nibble on the barrel pull the trigger! Go head, pal! Be my guest! Go ahead if you're serious!

Riggs

You shouldn't tempt me man...

Murtaugh

Put it in your mouth! Bullet might go through your ear and not kill you!

Riggs

Yeah, under the chin's good too!

Murtaugh

Yeah, under the chin!

. . .

You're not trying to draw a psycho pension...you really are crazy.

Riggs

I'm hungry. I'm going to get something to eat.

Murtaugh

Shit. Oh, God.
