

Maid – S1, EP3

Alex

What are you doing down here getting wrecked by yourself, Sean?

Sean

I'm hiding, go away.

Alex

Can you stand?

Sean

I'm fine.

I'll be a mess when the coke wears off, though.

Alex

K. Give me your keys. Give me your fucking keys, I'm gonna drive you home.

Sean

I'm not my mom.

Alex

Then stop acting like your mom.

Sean

Do you know why there's so much sea glass on this beach? It was a dump once, way back. The sea turns trash into treasure over time. Why don't you like me anymore?

Alex

You just hired a lawyer and got a judge to take my kid away from me.

Sean

No, before that. You stopped liking me a long time ago. Why?

Alex

I like you enough to pick you up when you're drunk.

Sean

Why?

Alex

'cause you're Maddy's dad.

Sean

Is that the only reason? This used to be fun. We had fun together. We used to come down here and laugh, and fuck. Now, it's like "you're a piece of shit, Sean".

Alex

It can't be all fun all the time. Maddy's a really big responsibility.

Sean

I'm sea glass. I'm not trash. Just give me time. I'm not.

Alex

Okay, let's get outta here. C'mon...

Sean

Alex, I'm gonna throw up for a quick sec. I'll meet you at the car.
