

MIKE & DAVE NEED WEDDING DATES

ALICE

I'm sorry I got us fired, Tati.

TATIANA

Don't apologize. You don't need to change one thing you're doing, it's the Ronnies of the world who need to get in line with you. Shit, is there no more ginger?

ALICE

Oh! Hells yeah.

Alice pulls out ginger from her pocket. Tatiana sees a video playing on Alice's laptop.

TATIANA

Uh, Alice? Why are you watching your wedding video right now?

ALICE

It's therapeutic. The more I watch it, the less I feel.

TATIANA

He left you at the altar! Fuck that guy. Fuck him right in the dick.

ALICE

Don't say that. Now, I'm thinking about his dick hole getting fucked, and it makes me want to protect it.

TATIANA

I just hate seeing you down in the dumps. Since Luke left, you just haven't been the same. The other night you left the bar at 2am. What is this, high school?

ALICE

I was tired!

TATIANA

Well, I'm tired of living like this! We've been missing that classic Tatiana-Alice spark that defines our identities as friends and badass motherfuckers.

TATIANA (CONT'D)

When's the last time we added to the collage? Cabo? We need to go on an adventure.

ALICE

I think my adventure days are behind me. I'm damaged goods.

TATIANA

You're not damaged goods. You're fresh goods. Fresh as the fucking farmers market. Do you know who you are? You're Stella in How Stella Got Her Groove Back.

ALICE

I am? I love Angela Bassett. She's so regal and has amazing arms. And I've always said, you are the Latina Whoopie Goldberg.

TATIANA

Let me get you groove back, girl. Let. Me. Get. Yo. Groove. Back. Girl. Say you're gonna get yo groove back, grrrl.

ALICE

I'm gonna get my groove back.

TATIANA

Yes you are. Starting right now.

They celebrate. On the TV is Dave and Mike on Matt Lauer. Tatiana leans forward, excited.

TATIANA (CONT'D)

A week in Hawaii? For free?

Tatiana takes a hit from the bong. Alice takes a bigger hit.

ALICE

Who are these guys?

TATIANA

They're the guys we're gonna go to Hawaii with.

ALICE

That one seems sweet. He has a kind soul.

TATIANA

He's also super hot.

ALICE
Hot as fucking balls.

TATIANA
You know who that is? That's your
Taye Diggs. He's gonna get you
groove back. Dude, we should go to
this wedding. We'll regroup, tan
up, party down and find the lost
fire that Luke took with him when
he mercilessly stomped on your
heart.

Alice starts to cry.

TATIANA (CONT'D)
No, no. Smile. I love you. Let's go
on vacation.

ALICE
But it's not a vacation. It's a
wedding.

TATIANA
It's a destination wedding which
implies the element of vacation.

ALICE
Is a wedding the best place for me
to be? You know, cause the last
wedding I was at, my wedding,
didn't end so well.

TATIANA
That's why it's perfect. You need
to get over this shit once and for
all. Let's meet these guys. It'll
be fun.

ALICE
You know what, Tati. Let's do it.

TATIANA
They said they want nice girls. We
don't look like nice girls. We look
like shit.

ALICE
I gotta be honest, I don't think
I've showered this week.

TATIANA
You're not lying. There's a funk.
You better wash that ass, girl.

ALICE

You know what nice girls don't say?
Wash that ass, girl.

TATIANA

By tonight, we're going to look
respectable as fuck.
