

MO' BETTER BLUES

BLEEK

Indigo! Indigo!

INDIGO

Who is it? Who the hell is ringing my bell?

BLEEK

Hello, Indigo. Can I come in?

INDIGO

You didn't return my calls or my letters. Refused my visits.

BLEEK

It doesn't matter now. I just want to...

INDIGO

It doesn't matter? I haven't heard from you in over a year. I didn't know if you were alive or dead.

BLEEK

I'm sorry. Look, I didn't know. I haven't seen anybody. The only one I've seen is my father.

INDIGO

You've always been a selfish person.

BLEEK

I admit that. I'm selfish. I'm a selfish...

INDIGO

Did I ever try to stand in your way or stop you from doing what you had to do? Did I? Can you get out, please? I want you to leave, Bleek. I want you to leave!

BLEEK

I just want to... Just let me say something.

INDIGO

The only reason you're here is because you can't play anymore. Did you stop by Clarke's house?

BLEEK

It's got nothing to do with Clarke. I read this book, a story about a plane that was going down. It was going to crash into the sea, and this married couple, they start making love to each other ferociously like their lives just depended upon it. They were oblivious to everything. They didn't care. The plane was going down, they were all gonna die, but they loved each other dearly and they wanted to die together. They loved each other. I want to be with you.

INDIGO

Bleek, stop it.

BLEEK

Indigo.

MO' BETTER BLUES

INDIGO

What?

BLEEK

I want you to be with me.

INDIGO

Get off. What about before?

BLEEK

I don't care about it.

INDIGO

I don't wanna hold you.

BLEEK

I want us to have a son.

INDIGO

Get off me. A fucking son? What do you think this is? You just want me to drop everything now and just trust you?

BLEEK

I want you to be with me. I want you to be my wife.

INDIGO

You crazy?

BLEEK

I'm not crazy.

INDIGO

Go tell somebody else.

BLEEK

I'm telling you.

INDIGO

You want me to save your life.

BLEEK

Yes. I want you to save my life.

INDIGO

Stop it, Bleek. Stop it! Stop it! Get off. I don't want to be... Fucking bastard. Get off me. Stop it!

BLEEK

You want me to beg? I'm begging. Save my life. Please. Save my life.
