AMANDA

Sure but I have a massage booked
for then so I called earlier.
I thought you would have showered
by now Julia
Ehm well I guess it's just us

AMANDA

Well that's a cosy little worky
corner

JULIA

Yes so thoughts, I'm thinking of
brand personalisation, so if your
shop had a face what would that be?

AMANDA

Stop I love that, if my shop had,
If my Store had a face, it would be
my face

JULIA

For example how would that face
make you feel?

AMANDA

Blessed

JULIA

So I've been putting together a
shutty for the next stage of the
launch so for example this is what
we did for Muji

AMANDA

Get you, you know your onions. I
always wondered what you got up to
at your work

JULIA

Hmm?

AMANDA

Well because you always made it look so hard, you know like your eyes were gonna pop out with the stress sometimes, I don't know, I'm finding it quite manageable actually.

JULIA

Yeah, I can see that they probably saw you on Living etc online, or in the MumsNet piece that I wrangled, you know it's 10,000 hits per minute, so it's quite a cue, so well done me I'd actually forgotten how I good I am at my job, you know? I quite enjoyed the challenge, you know? Just gave me the kick I needed.

AMANDA

You're welcome I'm glad I got you out of your little hole

JULIA
