

EXT. DENNY'S PARKING LOT - NIGHT

Will & Sylvia walk out of a Denny's.

WILL

All right. What do you want to do now? Let's get--Let's go to Korean Barbecue.

SYLVIA

No. Oh, no, no, no. I'm going home.

WILL

What? Come on. I thought you were in this with me.

SYLVIA

I am totally in this with you. I am.

WILL

I'm so depressed. I need you. Don't go.

SYLVIA

But I just have so many things tomorrow and they all start so early.

WILL

Fair-weather friend.

SYLVIA

Fair-weather friend?

WILL

Yeah.

SYLVIA

The minute I heard, I called you.

WILL

Wait, what?

SYLVIA

I said the minute I heard about you and Audrey, I got in touch. I ain't no fair-weather friend.

WILL

Wait, that's why you got in touch?

SYLVIA

Yeah, well, and I mean, I got in touch to apologize to you, which I did.

WILL

It was a pity call? You knew? You knew we were divorced?

SYLVIA

What's wrong with that, if it was? I-- You're my friend I heard the news, I got in touch, and I was worried about you.

WILL

Okay. Let's get into it, huh? Shall we? We were friends and then you threw that friendship away because you didn't like the woman that I was gonna marry. And then you heard we were getting divorced, and you come back around to do a fucking victory lap.

SYLVIA

My position remains unchanged. She was terrible for you. And look what happened.

WILL

I just-- I was in love, and I just wanted you to support me. That's all I wanted.

SYLVIA

I was just being honest because I love you. And you didn't wanna hear it, so you ditched me.

WILL

I didn't--I ditched you 'cause it's hard to be friends with someone who you know hates your wife.

SYLVIA

Isn't honesty what you want from your closest friends?

WILL

No! Not when it's bad.

SYLVIA

Andy didn't love Audrey, but you didn't hold that against him, did you? What's that about?

WILL

It's different with men than it is with women. Men, they're--

SYLVIA

Fuck off.

WILL

They're-- he's a... They're more mellow about this shit.

SYLVIA

That's bullshit. That's-- That's ridiculous. And it's fucking bullshit, and it's insulting.

WILL

Sometimes the truth is insulting. Men are more mellow.

SYLVIA

That doesn't make sense.

WILL

Don't know what to say.

SYLVIA

Yeah, men are really mellow. You know who starts wars? Men. You think George W. Bush was really fucking mellow when he invaded Iraq?

WILL

Ever heard of Mary Queen of Scots?

SYLVIA

Please tell me one thing about Mary Queen of Scots.

WILL

Bloody Mary. That's what they call her. And you don't get that name by being mellow. Margaret Thatcher, she was a fucking asshole. That Cara Delevingne, she seems like a fucking mess. Okay?

SYLVIA  
Okay, see you later.

WILL  
See you later. Have a good one.

SYLVIA  
Yeah. Yeah.

WILL  
Keep it real.

SYLVIA  
Okay.

Silvia does a "talk to the hand" gesture. Will mocks it.

WILL  
And by the way, that shit, that's  
from 20 years ago.

SYLVIA  
(referring to the friendship) So is  
this.

She walks away.

WILL  
That's a good one... Bye. Fuck you.

SYLVIA  
Yeah, fuck you.

They wave and give middle fingers as she leaves.

WILL  
(to himself) What do I even do now?

END.
