

INT. HOTEL ROOM - NIGHT

SUSANNA

What

CHARLIE

Hmm?

SUSANNA

You don't listen to me. You don't listen to me. This is-

CHARLIE

What are you talking about?

SUSANNA

I asked you to go in there and apologize, you went in there and insulted him again.

CHARLIE

What am I supposed to do, tuck him in? I'm not his mother for Christ sake.

SUSANNA

Charlie, you're his brother. His brother. They tell you today for the first time that you have a brother. I don't see in your face one reaction.

CHARLIE

Take it easy.

SUSANNA

I'm not saying joy. I'm saying something.

CHARLIE

Just take it easy. You don't know what I'm going through here.

SUSANNA

No, I don't know what you're going through. What are you going through? Because I don't know, because you don't tell me anything. You just give me lies. Lies. Lies!

CHARLIE

Lies? What lies? What lies?

SUSANNA

This thing that Dr. Bruner asked you to bring him here? This is bullshit. I know it's not true. So why don't you tell me why he is here?

CHARLIE

Cause I'm pissed at him.

SUSANNA

At who?

CHARLIE

At my father.

SUSANNA

You're pissed at your father, and you bring Raymond here? Why?

CHARLIE

I don't know why. Cause I got him and they want him.

SUSANNA

That makes no sense.

CHARLIE

Raymond was left all the money and I got nothing.

SUSANNA

How much?

CHARLIE

Three Million dollars. The inheritance. Every Penny of it.

SUSANNA

So?

CHARLIE

So I'm going to keep him til I get my half. I deserve that.

Susanna starts packing to leave.

CHARLIE (CONT'D)

What is this? Huh? Susanna, just take it easy here.

SUSANNA

I've had enough.

CHARLIE

What? You've had enough? What do you mean you've had enough?

SUSANNA

I've just had enough, I'm leaving.

CHARLIE

You're leaving.

SUSANNA

Yes.

CHARLIE

You're leaving me now? I need you. I need you now.

SUSANNA

What. You need nobody.

CHARLIE

What does that mean? What? Just take it easy. What is my crime here, huh? What is my God-damn crime?

SUSANNA

Your crime is you use people. You're using Raymond. You're using me. You use everybody.

CHARLIE

I'm using Raymond? Raymond. Raymond! Am I using you? Am I using you Raymond?

RAYMOND (O.S.)

Yes.

CHARLIE

Shut up! He is answering a question from a half hour ago. What good is three Million dollars to him? That money is just going to sit there for the rest of his life and I need that money. You know I need that money.

SUSANNA

Yeah, you need it, so it's hardly like stealing, no? When it's over, what happens to Raymond?

CHARLIE

He'll go back to Wallbrook. Or a better place. With the money I'll put him in a better place. What difference does it make? He's going to be just the same.

SUSANNA

As long as you have his money.

CHARLIE

His money. That man was my father too. What about my fucking half? Where is my half? I'm entitled to that money Goddammit!

SUSANNA

You kidnapped this man.

CHARLIE

I did not take him. I took my half.

SUSANNA

You're crazy

CHARLIE

Yeah, well it runs in the family. You're wet. Soaking wet and you're going to leave in the middle of the night. Will you just wait? My father has stuck it to me all my life. What do you want from me? What do you want from me?

SUSANNA

I'm out.
