

Tony

Hi, there.

Elvira

Tony. You just missed Frank.

Tony

Oh, yea? Too bad. Only, I didn't come to see Frank.

Elvira

This is not the time or the place, Tony.

Next time, make an appointment first.

Tony

That's OK. I got something important I want to talk to you about it.

Okay?

So, why don't we have a couple of drinks, act normal, and just take it easy, huh?

Come on, I like scotch.

Elvira

Sure! Why not?

Tony

Okay. I won't bite you.

Elvira

We're all normal here. I heard you and Frank aren't working together anymore.

Tony

That's right. I think it's easier, don't you? make things easier.

Well, hu thank you. Here's to the land of opportunity.

Elvira

For you, maybe.

Tony

You like kids?

Elvira

kids?

Tony

Kids. You know, kid. Little kids.

Elvira

Sure. Why not? As long there's a nurse.

Tony

Good, 'cause I like kids, too. I like 'em.
Boys, girls. Don't matter to me.

Elvira

look, Frank's gonna be back any minute.

Tony

Come here. Come on, come on. Sit here.
I want to talk to you, come on. Sit down. I'm not gonna bite you.
Ok, here's the story. I come from the gutter, I know that.
I got not education, but that's OK.
I know the street, and I'm making all the right connections.
With the right woman, there's no stopping me.
I could go right to the top.
Anyway, what I gotta tell you is this: I like you.
I like you the firs time I laid eyes on you. I say, she's a tiger.
She belong to me. Anyway, I want you to marry me. I want you to be
the mother of my children.

Elvira

Me? Marry you?

Tony

That's right.

Elvira

What about Frank, Tony? What are you gonna do about Frank?

Tony

Frank is not gonna last, okay? He's finished.

Just think about it, okay? I want you to really think about it.

Okay? I go now. Take care.
