Doctor: Symptoms like nausea, vomiting, diarrhea, cramps and if you do vomit soon after you take it you will have to take the medicine again...
Ill be right back with it.

Jonathan I'm gonna get us something to drink —

Mira No, I don't need— I don't need anything.

Mira: Yeah.. I don't think there is..

Jonathan: Yeah..

Mira: You know, I was thinking we could still go ahead with the renovation. — Yeah, like you know, like we can move Ava's play area into her room- And you know, make your study back the way it was before.

Jonathan: That's never gonna work.. She's gonna reclaim it within hours.

Mira: Well, then we use the attic. I mean we always said that that we're gonna get to that eventually..

Jonathan: I don't need—

Mira: Well I have a vision.. Just you know, leave it to me. You are gonna thank me.
