

Stevie

Hey-

David

-So, um...So the other...so last night um...That was just-

Stevie

Was a one-time thing.

David

That was a one-time-

Stevie

Like a blip.

David

Just a blip...Jus a blip. Blop. Just ah...

Uh my sister said that she uh-

Stevie

Invited me to Ted's, yeah.

David

Yes, she'd asked you to Ted's.

Stevie

Yeah

David

Yep um

Stevie

Okay, well I'm gonna leave from here.
Should I just Come by your place and get you when I'm done?

David

Yeah, we can go together,
Cause that's ...That's like a totally normal thing for us to do.

Stevie

Why would it not be?

David

No, it's not!
I mean...so um...

Stevie

So cool!

David

Yeah, no this is a good thing.
Alright, blippity blop,
Blippity slip.

Turns to leave

Stevie

David.
Wine?

David

No I'm fine.

Stevie

No, for Ted's.

David

Oh...right.

They turn towards Stevie's Wine collections

Stevie

So, just to be clear, um, I'm a red wine drinker.

David

That's fine.

Stevie

Okay, cool.
But uh, I only drink red wine.

David

Okay

Stevie

And up until last night I was
under the impression that you too only drank red wine.
But I guess I was wrong?

David

I see where you're going with this.
Um...I do drink red wine.
But I also drink white wine.

Stevie

Oh

David

And I've been known to sample the occasional Rose.
And a couple summers back I tried a merlot, that used to be a chardonnay.

Stevie
Uh okay-

David
Which got a bit complicated.

Stevie
Yeah, so you're just really open to all wines.

David
I like the wine and not the label.
Does that make sense?

Stevie
Yes, that does.

David
Okay.

Stevie
Um, this is just very new to me,
So as long as you didn't roll over and cry yourself to sleep with regret then we're good right?

David
No, no, no I absolutely did that.
Just wept for hours in the dark.
Chooses wine
I say we go with this one, it's the biggest.
