

DORY

Hi.

ELLIOT

Hi.

PORTIA

Hey, girl. It's the, it's the woman of the hour.

ELLIOT

How are you feeling about tomorrow?

DORY

I'm okay, you know? I feel pretty good, actually. I've just been, you know, I've been doing my homework. I've been researching closing statements and it's actually, it's pretty straightforward.

PORTIA

Right.

ELLIOT

Seems like you've got it all covered.

PORTIA

What are you gonna wear, babe?

ELLIOT

Hey. Oh my God, take off your shoes!

DREW

Do you remember this? We killed Keith with this. Do you remember this?

DORY

Drew, are you okay? Why don't you sit down for a second?

DREW

No no no no. What happened to April, Dory? Tell me the truth.

DORY

Drew, I already told you what happened.

DREW

Did you kill her? Did you kill her?

DORY
Of course I didn't.

DREW
Dory, I'm not fucking around.

DORY
Listen, Drew. Come on. You know me.

DREW
Dory, you come clean right now or I'm taking this obelisk, I'm going right to the police, and I'm telling them exactly what we did, because I don't care anymore what happens to me. Now will you please tell me the truth? Did you kill April?

PORTIA
Drew, sweetie, of course Dor did not kill April. She is not that insane, okay? Right, Dor?

DORY
I told you what happened. Remember? I don't have any, like, new details for you, Drew. I don't know where she is. You just have to trust me that I'm telling you the truth.

DREW
I don't believe you.

DORY
Well, I really don't know what else there is to say.

DREW
You know what? Forget about April. Forget about April, 'cuz you're obviously not going to tell me the truth, and I wasn't there, so how would I know? But will you do me a favor and will you just admit that we killed Keith? Okay? 'Cuz you won't even say that anymore and it is so scary, Dory. I can't tell if you know you're guilty and you're lying, or if somehow in your sick brain you have convinced yourself that you are actually innocent.

DORY

Okay, you're acting crazy. I don't even recognize you. You have something crazy in your eyes right now.

DREW

No no no no, you're doing that thing. You're doing that thing, right, where you twist it on me, okay? I see you do it with everybody. You do it with Cassidy, you do it with the press, but you are not a victim, Dory. You are not innocent. This is your fault. So admit to me, admit it, that we killed Keith. Admit it!

DORY

Stop yelling. I feel like you're going to hit me or something. You're acting so psycho right now.

DREW

Do you remember this? You remember we smashed his skull with this? You remember? You remember the obelisk, Dory?

DORY

I never touched that obelisk. You did.

DREW

I don't know who you are. I miss the old Dory.

DORY

This is me, Drew. This is who I've always been.
