

MONTANA

It didn't work. I am not gonna let this work to her advantage Ok we need to be smart

DAVID

You know I had a thought. You and I never exchanged our views about religion. We never shared our childhood memories. You know we don't-

MONTANA

You wanna know about my childhood? Ok? I had no friends alright. I wore too much makeup. All the kids around me thought I was evil. Now look at me. Nurse Nan. David, I can not be the villain forever. I'm...I'm sweet, tender, I'm a victim

DAVID

Ok, can you just one second...with the hair

MONTANA

Look I need a cigarette. David, I want Celeste to burn.

DAVID

So do I. Especially if it will help bring us closer together which I think it will I'm an optimist. Do you wanna hear about my childhood?

MONTANA

The actor that wrote you that time. The one Celeste had the affair with. The one she hated.

DAVID

Uhh...Jeffrey Anderson. Yeah, she had him thrown off the show in like 1912

MONTANA

Bring him back

ASSITANT

Excuse me Mr. Barnes-

MONTANA

Do you mind!

ASSISTANT

OK, just checking

DAVID

No he's probably selling something somewhere plus we don't know where the hell he is

MONTANA

He's in Florida

ASSISTANT 2  
David can you-

MONTANA  
Do you mind!

DAVID  
What is it about you, I can't put my finger on it. You're not my type. I'm used to dating these petite waifish girls who don't wear any eyeshadow but I am so drawn to you. It's not just chemical. I believe that it's spiritual.

MONTANA  
I believe it too David. Now if you want to get to know the real me

DAVID  
Find Jeffrey Anderson. Can I touch your breasts.

MONTANA  
Find him.
