

*Spy - restaurant scene*

**Cooper**

These look delicious. (*Picks up hand towel and puts it in mouth.*)  
I don't want to be critical, but this is very chewy.

**Fine**

Coop. You're eating a hand towel.

**Cooper**

Just, uh, cleansing my palate. (*Laughs*) Jeez. You had to take me to such a dump? (*Laughs.*) Come on cheapskate!

**Fine**

Burger King was booked up.

**Cooper**

Ha! Sorry. Having dinner with Gallagher here. Guard your fruit! You're good. You're funny. You're timings perfect.

**Fine**

Never as funny as you, Super Cooper. To another successful mission.

**Cooper**

Go team.

**Fine**

Go team.

**Fine**

Hey, I've been thinking.

**Cooper**

Yeah

**Fine**

I couldn't do what I do without you. And I've been thinking about doing something special for you...So...  
(*slides ring case forward*)

**Cooper**

Good gravy Fine... (*opens box*)  
Oh, that's...

**Fine**

It's a Crazy Cup Cake! You love cakes!

**Cooper**

Well, I'm not a big cake... I make cakes... yes...

**Fine**

Now you can wear a cake.

**Cooper**

How did you know I don't care for traditional jewelry? I can't seem to stop looking at it. And it can't stop looking at me.

**Fine**

Imagine how awkward it would've been if it had been a diamond ring or something.

**Cooper**

Oooh...Not a diamond ring! No, I would've had to say, "I don't want to marry you!" I don't want your muscly arms and hands rubbing my back with Nivea for the rest of my life. And our three kids run in, you know Karen, Tommy, and Billy and we'd say, "Get out of here!". And they'd just all have that beautiful jaw, sky blue eyes, full mouth. I mean, no thank you. I'll just, you know, I'll just...Can you give me a little jewelry I can actually wear?

**Fine**

You're not gonna wear it?

**Cooper**

Yes! I was just saving it.

**Fine**

Put it on!

**Cooper**

Look at that. Wow, That's...

**Fine**

That's an adjustable toogle.

**Cooper**

Adjustable toogle. You don't see that with a lot of jewelry.

**Fine**

It's so you.

**Cooper**

Wow, perfect. Oh, somebodies getting jealous.

**Fine**

Seriously, I couldn't do what I do without you, in my earpiece.

**Cooper**

I could never do what you do. Can you imagine me as a spy?

**Fine**

Oh, my god. Out in the field.

**Cooper**

Yeah

**Fine**

With a gun! "Hi terrorists, oh golly, oh I shot myself. I'm gonna shoot you, not me.

**Cooper**

That's probably what I'd say, "hey terrorist, you better watch out, I'll make you a chocolate cake, do you like chocolate, well then I'll make you a vanilla. What? They would never let me be a spy. I can't even dress like a spy. Look at you and your tailored... Everything is cut right. And mine is like a lumpy pumpkin sack dress

**Fine**

Oh come...

**Cooper**

It doesn't even have a label. Does not have a label. I think my mom made it.

**Fine**

No stop.

**Cooper**

I should get on my hands and knees and start scooping.

**Fine**

Good god. Go easy on yourself.

**Cooper**

Okay

**Fine**

We're a perfect team. That's why we work.

**Cooper**

Yeah

**Fine**

Come here...*(leans in)*

Come here close

*(Coop leans in further)*

I think you're getting pink eye.

**Cooper**

What, no....

**Fine**

Right there.

**Cooper**

No that's not...

**Fine**

Did you wipe your eye after you cleaned out the cat box?

**Cooper**

I don't have cats.

**Fine**

Why did I think that?

**Cooper**

I don't know.

**Fine**

You should get some. They're good company.
