

Leslie enters with moving boxes, surveys the empty-ish apartment. Alec walks into the room after hearing Leslie enter.

Leslie

I specifically took off work today because I thought you weren't going to be here.

Alec

I'm sick.

Leslie moves to sort through their record collection.

Leslie

What's wrong.

Alec

Just sickness. You can't have The Pretenders' first album. That's mine.

Leslie

I bought it.

Alec

You did not! You can have all the Billy Joels. Except The Stranger.

Leslie

I'm taking Thriller and Mahler's Ninth.

Alec

Kevin is so fond of Mahler.

Leslie

I moved in with Jules.

Alec

Oh, how nice. Roomies again. No Springsteen is leaving this house. You can have all the Carly Simons.

Leslie

You got me those for Valentine's Day. Remember when there were still Valentine's around here?

Alec

You ran out on this relationship. You take the consequences.

Leslie

I didn't run out on anything. You ran out.

Alec
You fucked Kevin.

Leslie
You fucked many!

Alec
Nameless, faceless many!

Leslie
I feel much better now. Thanks.

Alec
You're not taking The Police, so just forget...

Leslie
Anyway, I didn't just fuck Kevin. I was confused and angry and I care about him very deeply.

Alec
Get your clothes, give me the keys and get out! Now!

Leslie
I can't believe this is happening to us.

Leslie leaves the apartment and Alec yells after her-

Alec
Wasted love! ... God I just wish I could get it back.
