

The Last Seduction

Wendy

Hi

Mike

What is this? Wendy, you didn't go to New York, why did you go to Miami? Huh? Why? Did you find this Lance Collier guy? Wendy did you murder Lance Collier? Tell me I'm wrong. Did you?

Wendy

You gonna turn me in, Mike?

Mike

Well if I don't that makes me an accomplice.

Wendy

Christ, you're good at rules.

Mike

What? Wendy you don't even seem bothered by what you've done.

Wendy

I did it for us Mike. What bothers me is your attitude.

Mike

My attitude?

Wendy

Yes. I expect unconditional support from a lover. For better or worse. Jesus, I killed the man I wouldn't take it back if I could.

Mike

You can't

Wendy

He deserved it.

Mike

Wendy, nobody deserves to-

Wendy

Please spare me your brainless, country-fied morality. The world's better off without Lance Collier and in the ten minutes I knew him he proved it to me twenty times. (She shows him the money) Mrs. Collier thought so too.

Mike
Jesus Christ.

Wendy
Heres your fucking evidence and there are my fucking fingerprints. Maybe you'll get an award and you can open up a fucking feed store. Get the fuck outta here.

Mike
You know Wendy – I, uh, I really thought you loved me.

Wendy
I never said that.

(Mike pulls out her "I love Mike" doodles. She slaps him)

You son of a bitch. You sniff my underwear drawer too, Mike? You think you know everything now, don't you? Well, you don't. We all have our buffalo girls, Mike.

Mike
You murdered.

Wendy
You want to live bigger but there's nothing you'd kill for. There's a place for people like that – it's called Beston. Now get out! Get out! Take your fucking shirt too!
