

THE MEXICAN

WINSTON

Look, I'm agreeing with you.
But there's a few ways to look at it.
Now sex is, no matter what anybody says,
a very important part of any relationship.
The fact that Jerry is a considerate lover says a lot.

SAMANTHA

You lost me.

WINSTON

Well, he's a considerate lover.
You just gotta find a way to get him to
expand this quality he has during sex
to other areas of your relationship.
I mean, even if it only comes out in sex,
it's there just the same.

SAMANTHA

That's a good point.

WINSTON

And if a person's a considerate lover,
he can't be all selfish, right?
Unless of course he's...
He's, uh, being a considerate...

(He quickly checks out a man)

SAMANTHA

What was that?

WINSTON

What?

SAMANTHA

That. That moment you had.

WINSTON
What moment?

SAMANTHA
Leroy, you just checked out
that Winston and had a moment.
That was a moment.

WINSTON
I don't know if it was a moment.

SAMANTHA
Are you gay?

WINSTON
As in happy?

SAMANTHA
As in homosexual.

WINSTON
What does my sexual orientation
have to do with anything we've been talking about?

SAMANTHA
Nothing.

Nothing. Except something that you
said back there really bugged me
and this would kind of
help it make sense.

WINSTON
Yeah? What's that?

SAMANTHA
I asked if you were gonna rape me, and
you said, "Not likely." You said it so matter-of-fact, like it was just . .
.,like I was repulsive
and it was ludicrous to think I was
actually at risk of being raped.

WINSTON

Well, first of all, it's a crime of anger,
not attraction.
And second of all, you're not repulsive.
You're very beautiful.

SAMANTHA

Thank you.

WINSTON

You want me to rape you?

SAMANTHA

Are you gay?

WINSTON

You want me to rape you?

SAMANTHA

You're gay.

You're gay. I knew it!

Oh, I so knew it.

I just knew it. What a relief.

WINSTON

Do you want a medal? You wanna make a little trinket
saying you identified a homosexual?

SAMANTHA

No.

Are you full throttle?

WINSTON

Full throttle?

Yeah, I guess I am.

SAMANTHA

Oh. I'm not... I mean...

I'm not trying to be a smart-ass
or anything like that.

I just that... I just think that this is great.

Wow. This is...

**This is...major, OK?
Uh ... I ... know the kind of people
in your business, OK?**

WINSTON

Yeah?

SAMANTHA

**And to me, it seems that...
Well, being gay isn't really...
conducive to the environment.**

WINSTON

**Oh, like I should be an interior
decorator. That's insulting. I am very good at what I do.**

SAMANTHA

Do you have a boyfriend?

WINSTON

**No, I don't.
Unfortunately,
I seem to be unable to keep...
relationships together.**

SAMANTHA

**Seems like everybody's having trouble
keeping relationships together.**
