

Int House. Night.

(Dog barking)

Mitch

Whose ever in here, get out before I blow your head off

Alex

Oh Fuck off Mitch, its me.

Shit!

Mitch

Alex?!

Alex

I can't be seen by anybody so I had my car drop me off in  
the woods behind your house

Mitch

You came to see me

Alex

No. I came to tell you that I am SO mad at you that I will  
never ever get over it. You left me alone at the Morning  
show. You left me alone, because you had to fuck around on  
Paige because you didn't want to tarnish your little image  
and just get a divorce

Mitch

Hello Pot I'd like to introduce you to kettle. How can you  
be mad at me about that? Jesus...

Alex

Are you kidding me?

Mitch

Ok, Beat me up, beat me up

Alex

You really think that's what I'm mad about you IDIOT!  
I'm mad at you because you're selfish. You're a self  
indulgent ASSHOLE and you're philandering has fucked me.  
And I'm going to lose everything Mitch, there's no  
guarantees, zero. Our star was built on chemistry and you  
just Blew it up and WHY why did you do that? There had to  
be a million and one women out there who would have gladly  
sucked your dick who didn't work on the morning show

Mitch  
Its not my fault. They were consensual affairs

Alex  
Oh please...

Mitch  
They were consensual affairs...

Alex  
You're such a fucking moron...

Mitch  
I think that you're jealous because of our history

Alex  
Your FUCKING ego

Mitch  
Because we had a thing

Alex  
OMG Mitch that FUCKING ego of yours, you think because of the two times you got on top of me meant that much to me that that's what I'm pissed about, you're so stupid. Oh god. Oh...

(beat)

You stole my life with this. You left me in the woods with a pack of wolves. I live a really strange existence Mitch, and it's isolated as shit, I gave up everything for this show, any chance of having a normal life, and you just put me in a position of losing it. Everything. Of having nothing, of having no one. You're my partner. 15 years. My partner. And my only real companion who, who knew my life in such vivid detail, because it was your life too

Mitch  
I'm so sorry

Alex  
We lived a life that we're never gonna get back. You're not my husband and you're not my lover and your not my family and now you can't be my friend.

Mitch  
Why can't I be?

Alex  
Because what you did was wrong.

Mitch  
Alex you knew these people, you know that I didn't coerce anybody. This is Weinstein's fault.

Alex  
Please don't say that, it's so ignorant

Mitch  
Jesus Alex, I didn't do anything wrong. I didn't.

Alex  
What happened to your TV?

Mitch  
We had a disagreement.

Alex  
I'm sorry you're such an asshole

Mitch  
Me too

Alex  
I wouldn't use those two words together if I were you.  
I have to go, I have to leave.

Mitch  
No don't, I don't want you to go

Alex  
I have to go

Mitch  
No don't go please. Please stay please, I don't want to be alone, just stay for a little while, Alex, please, Come on, it'll blow over

Alex  
Oh this is no never going to blow over.

Mitch  
Alex...Alex, they were going to replace you.

Alex  
What?

Mitch  
They came to me, they said YDA was nipping at our heels  
with the ratings, they wanted to make a change

Alex  
I don't believe you. You're just trying to fuck with my  
head cause you're destroyed and you want me destroyed.

Mitch  
No, No I want to save you. Alex don't go, just stay.

Alex  
I don't believe you

Mitch  
Don't. just stay. I've got a gun

Alex  
Great! Have fun with that.
