

## The Town

**Adam:** We seemed to be having a bit of a staring contest over there.

**Krista:** What can I say? Boys like me.

**Adam:** I bet they do.

**Krista:** What are you doing down here? Slummin'?

**Adam:** I work for the FBI.

**Krista:** Me, too [laughs]

**Adam:** Well, you must be new.

**Krista:** You're all right. Doesn't mean you're gettin' fucked though. You gotta chase the rabbit if you want the tail. My mom taught me that.

**Adam:** You used to hang around with Doug Macray a little bit, huh?

**Krista:** How do you know Dougie?

**Adam:** We sort of work together.

**Krista:** Sand and gravel?

**Adam:** No, no, no [pulls out wad of cash and pulls out a single \$20]. You a pretty decent judge of size?

**Krista:** Depends. Size of what?

**Adam:** [holding up \$20 bill] How big would you say that is? 6 inches? Over or under?

**Krista:** Under.

**Adam:** Wrong. 6.14 inches exactly. I know everything there is to know about money. Thickness--point 0043 inches. Weight--about one gram. Which is interesting, because that means that this \$20 bill isn't even worth it's own weight in oxy. So how does it work? Bartender gets a call, you pick up a package at point A, deliver it to point B, the florist gives you C? You're thinking of running out on me. It's not that simple, 'cause you see, if I start waving this around here [showing her his badge], bad for you.

**Krista:** I want a lawyer.

**Adam:** Good, get one. It's all about protecting yourself, right? Not even yourself, your daughter.

**Krista:** Don't talk about my daughter.

**Adam:** How long were you with Macray?

**Krista:** All my life.

**Adam:** In all those years that you were together, how many diamond necklaces did he give you?

**Krista:** Why is it always I'm the one who's getting used?

**Adam:** What do you have?

**Krista:** Knowin' just that, uh, Dougie's going away after.

**Adam:** Wait, what after? After what? Krista, I need you to be smart here. This could be a big moment for Shine. Make a huge difference in her life **[Krista breaking down]**. We can help you, sweetheart.
