

THE UNDOING

Season One, Episode 3

Grace & Jonathan - Prison

INT. PRISON - DAY

GRACE waits. A GUARD escorts JONATHAN into the visitation room. He sits down across from Grace.

JONATHAN

Thanks for coming. How's Henry?

GRACE

Um... How do you think he might be? Look, I don't know what the purpose of this conversation is, but you wanted me to come and I'm here.

JONATHAN

Well, it's, it's not to convince you that I'm a good husband.

GRACE

Or a good father. You didn't just do this to me. You did this to your son.

Beat.

GRACE (CONT'D)

You have a daughter. You have a fucking daughter. Fuck.

JONATHAN

Look, I... I spoke about Elena, uh, being obsessed with me. Yeah? She was. She was not a well person. Grace, you have to help me. The whole world thinks I did this. My only chance is for people who know me to come forward.

GRACE

To help you? You actually think I'm gonna help you?

JONATHAN

You know my heart. You know my heart. I, I understand that you can no longer trust me to be the man you thought I was. I get that. But you certainly know that I would never take a human life. You know that.

GRACE

I don't know anything.

JONATHAN

My heart wouldn't allow it. Nor
would my ego. You know... I
didn't... I didn't do it. Whatever
my faults and my transgressions...
My love for you... For Henry... Can
you bring him? Please bring him.
Please, Grace. He's gotta hear from
me. He needs that.
