

BOB

You and tequila make me crazy.

EVAN

Hey

BOB

Hey buddy. Come on, I saved a seat for you.

EVAN

Said you were desperate.

BOB

Yeah, here, take a load off. Look, I know we're trying to catch the Costco Killer, but, well, it's good to have an honest heart to heart with just a couple guys, right? There's my boy. Bring it down here. Get in here.

EVAN

It's all about honesty, right.

BOB

Mm-hmm. I've been being honest with my daughter. I don't think she wants to hear it. My wife's been traveling so much for work that, a lot of the parenting stuff has fallen on me lately. How about you. When are you going to take the plunge and knock a few out.

EVAN

Uh, it's not that simple.

BOB

Well, it's about as simple as putting your dick in a vagina. You know what I mean. Make it happen.

EVAN

Well, I don't really have a choice, so... it turns out my gun doesn't really shoot too well.

BOB

Gun

EVAN

Yeah.

BOB

You mean your prick. Why are you saying your gun.  
This is two guys sitting on a bench. You can say it, say prick, say cock.  
Just say prick. Anyway, did you take a couple of those blue bombers.

EVAN

No.

Bob

Got to get that wang nice and stiff and get you all monstered up.

EVAN

Uh no, no

BOB

Oh it will and then you'll be fucking like a champ in no time.

EVAN

No, I can, I, that's...

BOB

I know a guy that'll give you some and I got some from Mexico...

EVAN

That's not the problem. That's not the problem.

BOB

I'll get you some of those Mexican bombs.

EVAN

I can do everything. It's just that, uh...I'm – about a year and a half ago  
Abby and I started trying to have kids.

BOB

Mm-hmm.

EVAN

And nothing was happening, so, on my own,  
I went to see this doctor, to get my sperm checked.

BOB

You know I've always wondered about that.  
I've just had a curiosity about that and if you don't mind.  
When you go to one of those doctors, do you jerk yourself off  
or does the doctor, like, jerk you off or, like an assistant.

BOB CON'T

Is it like a massage parlor or do they have a machine, like, a medical machine that does the milking for you. Like, milks you like an animal.  
I'm asking how you how you get the cum out of you.

EVAN

I...

BOB

They do it.

EVAN

No, I jerked me off.

BOB

Okay.

EVAN

Doesn't matter. The point is, I went, I got tested, and no go.  
I'm shooting blanks. I got shoot a bucketful it would make no difference.  
Doctor's actual words—a bucketful. It's because of me we can't have kids. Just me.

BOB

I didn't realize it's such a big deal. I mean, it's 2015.  
Can't you just get, like, a ball transplant.

EVAN

Yeah, I don't think the science is there yet.

BOB

What'd the old lady say when you told her. Evaroony, don't tell me that you haven't talked to her about it.

EVAN

Well, what am I going to say. Hey honey, the one thing you want most in the world, I can't give you.

BOB

Evan, you listen to me. You talk to Abby. She married you, not your dead jizz.

EVAN

Thanks.
