

*Veronica's Apartment 2 a.m. Veronica is in a nightgown and grips a stickball bat. Jackie is wasted off his ass.*

VERONICA

I called the fuckin' police!

JACKIE

Good! I loooooove fuckin' police! I love police like I love fuckin, I dunno, but I fuckin' love it!

VERONICA

You better fuckin' run.

JACKIE

Love it! Yo, how's the motherfucker with the hat doing?! Huh?! I looove that motherfucker with the hat! He's a good-lovin' motherfucker, that first-floor motherfucker!

VERONICA

If you wanna talk, we could do it in the morning, and we should talk, and I wanna talk--but you gotta go right now--

JACKIE

Talk?! Who said I wanna talk to your ass?! What's there to talk about? Hats? Fuckin' haberdashery?!

VERONICA

Jackie, please--

JACKIE

Nah, because I wrote you a song, Veronica--

VERONICA

--Get outta here! Get outta here before I fuckin' clock you, 'cuz I'll clock you!

JACKIE

Aaight, ssh! Ssh. Here goes. This song is debilated to you, Veronica, since the eighth grade! Eight! Remember? Okay, read--this song, this long-distance dedication from me to you, is called...  
"Fuck...You."

VERONICA

Don't you do it!

JACKIE

"Fuck your dead stepfather, Tito--  
fuuuck you!"

VERONICA

Stop it!

JACKIE

"Fuck Buster and Negrito, I hope  
they get run over by cars--fuuuuck  
you!"

VERONICA

You think you're the only  
motherfucker who's hurting here?

JACKIE

"Fuck those Commodores records we  
use ta make it to--fuck you"--Hold  
up, I wrote this shit down--

*(Jackie digs through his  
pockets to find the rest  
of his song.)*

VERONICA

--What about me, huh?! What about  
my pain?! What about the promises  
your ass made?! Where's my ring?  
Where's my two-family house in  
Yonkers? Where's my little baby  
Jackie and my little baby Veronica  
playing on their fuckin' swing  
set?! Where's your "air-  
conditioning and refrigeration"  
degree? Where's my "going back to  
school"? Where's my Jackie that  
used ta live in my heart--where is  
the most decent, loving guy I ever  
met in my whole fuckin' life--and  
why's he out fucking played out AA  
hos?

JACKIE

"Fuck your whole generation 'cuz  
you're a ugly, disgusting, fucked-  
up bitch who no one loves because  
you're so psycho twisted damaged,  
nasty heartbreaker--fuck..."

*Veronica snaps--slugs Jackie in the head flush with the stickball bat. Jackie goes down. Out cold.*
