

The Serpent - Episode 7

INT Parisian Hotel room MARIE storms in after seeing herself on the cover of newspapers.

MARIE

My photo is all over the city!

CHARLES

Well you always wanted to be on the cover of a magazine.

MARIE

You're a liar!

CHARLES

It's not my lies they are now hurting us for

MARIE

Juliette. You said she was dead.

CHARLES

Have you been to see my mother behind my back?

MARIE

I was going to have your baby

CHARLES

You really believe I would have a baby with you? Look at yourself.

MARIE

What have you made me? It says that I am a murderer!

CHARLES

You knew very well from the beginning. You not only knew it, you were thrilled by it.

MARIE

But it was you! It was you who killed them all.

CHARLES

It was Ajay who orphaned that child you pretend to care about. It was him, also, who strangled her mother, before breaking her neck when I asked him to. Pack your bags.

MARIE

I'm not gong anywhere with you.

CHARLES

Then stay. But when you're arrested they wont be sending you back to Quebec. They will be sending you back to Bangkok, where they have the death penalty. Do you understand? You are a killer too, Marie. And the Thais will execute you. The Turk, it was me who killed him. The American girl, the couple in Nepal. Would you like me to go on? Your Suitcase!
