

Julia

How did you become a wedding singer?

Robbie

Well i think i did it to make some money until my music career took off.

Julia

And you wanna be a rockstar?

Robbie

I kinda just wanted to be a songwriter ya know, I think that's the hardest thing to write a song, a song when people hear it they go, "ooo i know what that guy was feeling"

julia

Have you written anything lately?

Robbie

Yea I guess

Julia

Will you play it for me?

Robbie

You don't want to hear it, it's not good.

Julia

No, I'm sure it is!

Robbie

I wrote half of it when I was with Linda and I wrote the other half when we broke up so it's a little uneven, ya know.

Julia

I don't mind, i'd like to hear it

Robbie

Alright

Julia

Yayy

Robbie

okay , I just want to warn you that when i wrote this song i was listening to the cure a lot so...

Julia  
Okay

Robbie  
Here we go...

“You don't know how much I need you, while you're near me I don't feel blue, and when we kiss I know you need me too. I can't believe I found a love that's so pure and true. But it all was bullshit, it was a goddam joke and when i think of you linda, i hope you fucking choke, i hope your glad whith what youve done to me, i lay in bed all day long feeling melon colly you left me here all alone tears running constantly, oh somebody kill me please, somebody kill me please, im on my knees pretty pretty please, kill me, i want to die, put a bullet in my head. “

Julia
