Can I ask you something, you're all church goin folk I really wanna ask you something, do you think God knew what He was doing when He created woman? Huh? No shit. I really want to know. Or do you think it was just another one of His minor mistakes? Like tidal waves! Earthquakes! Floods! Do you think women are like that?

(Recovering) What's the matter? You don't think God makes mistakes? Of course He does. We all make mistakes. Of course, we make mistakes, they call it evil. When God makes mistakes, they call it...nature. So what do you think? Women...a mistake? Or did He do it to us on purpose?! Because I really want to know! Because if it's a mistake, maybe we can do something about it! Find a cure! Invent a vaccine. Build up our immune systems. Get a little exercise. You know, twenty push-ups a day...and you never have to be afflicted with women, ever again!
