

EXT. NYC STREET

CHELSEA

Hey how'd it go with Charlie Rose.
Chelsea Brown.

ANDRE

From the Times.

CHELSEA

Yes, from the times.

ANDRE

How'd it go, I thought you were
suppose to be watching it. Are you
a real journalist or like Miss
Detroit.

CHELSEA

Funny, Look they just told me you
would be doing this. I'm Sorry I'm
late, congratulations on the
wedding.

ANDRE

And the Movie.

CHELSEA

You know some friends and I saw you
a few years back at Purchase. You
were really great. Thank you very
much for doing this interview.

ANDRE

Why because your boy James Nielson
said he wouldn't watch my next
movie even if it was play in his
glasses.

CHELSEA

James

ANDRE

James

CHELSEA

Hey who would of thought that
google would of made that possible
right?

ANDRE

Look your about a half hour late.
If I were you I would get started.

CHELSEA

OK, I just need to go home first,
they just told me we're doing
things and I don't have my
recorder.

ANDRE

Recorder, what are you Louis Lane?
Just use your phone.

CHELSEA

No you don't understand, I can't do
an interview without it. It's kind
of my thing, sorry.

ANDRE

Ok, lets go. But I'm telling you
everything means something.

CHELSEA

No, everything does not mean
something. Ok, sometimes a Movie is
just a moveie, sometimes a song is
just a song, sometimes a joke is
just a joke. Remember those jokes?

ANDRE

yeah I remember.

CHELSEA

Ok, so lighten up, we have a black
president now, be excited. Just a
little bit excited, Just a little
bit excited.

ANDRE

No half Black, half black, half
black. Whenever something goes well

(MORE)

ANDRE (CONT'D)

in the country the white people go
oh the president is doing such a
great job. And whenever there's a
problem, that Nigga is ruining
everything.

CHELSEA

Well, we are going to have a woman
president next. And she is going to
be Latina.

ANDRE

Oh Ok

CHELSEA

And she might even be gay.

ANDRE

Ok

CHELSEA

And we are going to have an asian
president.

ANDRE

Oh, a balanced budget.

CHELSEA

And we will have another
handicapped president.

ANDRE

Ok hold up, we are not going to
have handicapped president.

CHELSEA

Yes we will, we already had one.

ANDRE

No No, I'm talking about out the
closet handicapped president.

CHELSEA

He was out of the closet, what is
out of the closet, people knew he
was handicapped.

ANDRE

I got nothing against the
handicapped. But not everyone is as
liberal as me. Ok, I mean you run
for president you don't roll for
president. like you run a campaign,
you don't roll a campaign.

CHELSEA

You are horrible.

ANDRE

I'm not horrible.

CHELSEA

That is sick, what is wrong with
you?

ANDRE

Am I sick? I'm the one voting for
the mexican, lesbian, handicapped
president.

CHELSEA

Oh My God, people are more
accepting now. And thank god for
that, and its literally rough for
women. I am hopeful because people
are changing, things are changing.
You need to wake up and smell the
progress.

ANDRE

No you need to wake up. nothing has
changed.

CHELSEA

Thank go things have change.

ANDRE

Nothing has changed, look at this,
Black man trying to get a cab in
New york City. Black man trying to
get a cab, look at this. Taxi!
TAXI! Ok so one stopped.
