

AMY
Dr Connors

AARON
Hi, hi. Hey.

AMY
Hi. Amy Townsend.

AARON
Aaron Connor.

AMY
Nice to meet you.

AARON
Great to meet you.

AMY
Yeah, thank you so much for letting
me come in.

AARON
No worries.

AMY
Um... So

AARON
How does this work?

AMY
Today's really just to go over
schedules if that's cool?

AARON
Yeah, that's great... Ah I have
never been interviewed for a
magazine.

Amy notices a poster on the wall.

AMY

Tall.

AARON

Yeah, I know right? Do you know who that is?

AMY

The basket ball player.

AARON

He's Lebron James. He's kinda like the basket ball player.

AMY

Oh yeah! I think I saw one of his soda commercials.

AARON

Yeah. Do you follow sports?

AMY

Oh my God. Sports. I love them.

AARON

Who are your favourite teams?

AMY

The uh... I like smaller teams, like not the... Not the big leagues. I like.. The like Long Island Mediums. The Acorn Pine Cones. The Fire Island Penguins. I like the Cincinatti Thunder Wizards.

AARON

You can stop.

AMY

The Orlando Blooms.

AARON

You can stop. You don't follow sports.

AMY

I'm sorry. I don't... I don't know anything about sports.

AARON

You know what, that's okay though. Don't be embarrassed.

AMY

I'm sorry.

AARON

No, no. Don't be embarrassed because I didn't actually follow sports until I got this job.

AMY

Really?

AARON

Yeah.

AMY

Oh my God, you have no idea what a huge relief that is. I, I, I was assigned this. This is not even my pitch.

AARON

Right, so you're doing the article on me.

AMY

Mhmm.

AARON

Awesome.

AMY

I think they're kind of weird... Just strange. Grown men wearing jersey's with another man's name on it. Like, are you in jail? Are you his bitch. It is just-

AARON

Right. Kinda like that one?

AMY

That's different. Cause it's in a frame.

AARON

I think sports brings people together. You know it kinda forms a community.

AMY

That's what I'm saying.

AARON

Right. Yeah obviously. And I'll tell you another thing that is great about this job. I get to work with Athletes, which means on..

AMY

Black people

AARON

Injuries. What did you just say? Did you say black people?

AMY

No.

AARON

Did you have a problem with Black people.

AMY

No! I love black people. I prefer black people.

AARON

Do you have black friends?

AMY

Endless black friends.

AARON

Can you show me pictures of your black friends on your phone?

AMY

You want to see pictures on my phone of my black friends.

AARON

Amy, you gotta have a lot of them.

AMY

I have so many. I'm just deciding which one, cause there's like so many... Oh here we go.

AARON

Oh great. Let's see.

AMY

So you're going to be eating your words.

AARON

Oh good.

AMY

You ready?

AARON

Yeah, I'm ready.

AMY

Okay, get ready. Black friend.

AARON

That is you with a white friend and that is a black waiter pouring your water.

AMY

Let me find another one. Oh my phone died. I'm going to let you get back to doctoring.

AARON

Ah, thanks.

AMY

I'll talk to your...

AARON

Sheryl.

AMY

Sheryl, about when we can meet again.

AARON

Great.
