TRUE BLOOD SEASON 1 EP 5

Jason takes a thermometer and injects it into a large sausage in front of Lafayette.

LAFAYETTE

Damn.

JASON

Yeah, just like that, and no anestheser either. First I get hauled in by the cops. Then, I got to let a dude drain my Johnson. That's a fuck of a day.

LAFAYETTE

Sounds like it, Jason, you ain't tell no body where you get the V at, did you?

JASON

Do I look stupid? I didn't even let on that I was taking anything. You're my dog.

LAFAYETTE

Well then love you right back.

JASON

But listen, you got to stop selling V man. It fucks people up. I mean, shit, now Sheriff Dearborn thinks I'm some kind of sex maniac. And hell if I know how I'll ever, ever be able to look Tara in the face again.

LAFAYETTE

Boy, she'll get over it. The girls been lost in love with you since she was 8.

JASON

No shit.

LAFAYETTE

No shit.

JASON

Ah man, that's even worst. I had no idea. God. My life sucks so much ass, and its all cause of your fucking V.

LAFAYETTE

Listen don't blame the Ferrari,
just cause yo ass can't drive.
You're going to have to learn to
ride the high, boyfriend.

JASON

Fuck that I am done with V. Go fuck
some other people up with that
shit. You broke me.

LAFAYETTE

No man. If you can learn to control
it. V will open up your mind to
everything you missing around you.
That's what's gonna snap you out of
all this shit.

JASON

More V?

LAFAYETTE

If done right, I got some in my
car. If you want me to show you.

LAFAYETTE (CONT'D)

Now I aint selling you no whole
vile till you learn how to use this
shit right. You get me?

Jason gestures yes.

LAFAYETTE (CONT'D)

This, is the life force of a
vampire. They are just blood in a
skin casing. Ain't a whole lot
different between a vampire and a
Boudin sausage except for the
blood. Our blood sustains life.
This blood is life. One drop,
that's all you need, can't be
greedy. Billions of molecules of
pure undiluted 24 carrot life. You
take this and you take in a piece
of the vampire it came from. The
trick is you got to let it take you
deep. Follow it, soak it in.

Lafayette takes some of the True Blood.

JASON

What kind of vampire is that?

LAFAYETTE

He's new. So the blood is still a little wild. I can feel him in my muscles, making me strong. But you might get another side of him. The same V can affect you in a whole nother way. But I guarantee you'll see the world with new eyes.

Jason takes some of the True Blood.

JASON

Christ, I can't believe I'm doing this again.

LAFAYETTE

Oh no man, you doing it for the first time.
